

OM SHANTI

**Avyakt Murli
Revision Course**

BapDada's hope is that you should now with zeal and enthusiasm, quicken your steps to become complete and perfect the same as Father Brahma. Make a special *plan* for this.

Today, BapDada is pleased to see His sweetest and loveliest children. "Wah Baba! Wah!" is emerging from everyone's heart and "Wah children! Wah!" is emerging from the Father's lips. These are the words that are emerging. Today, BapDada is also seeing the children everywhere. The sparkle of love for Father Brahma is visible in everyone's mind. Waves of love are visible in everyone's minds. Waves of love are also emerging for every child in the Father's mind. This love is alokik love. BapDada has seen that the *majority* of the children are moving along with the power of love. The Father has love for every child and "Sweet child, lovely child" is also emerging for every child from His heart. The Father has made every child a master of three thrones. You know this, do you not? Throughout the whole cycle, no soul can become a master of three thrones, but you elevated souls have become the masters of three thrones and remain in such spiritual love and intoxication! Each one of you, ask yourself: Do I always have such happiness and such spiritual intoxication in my awareness? Do I always remember the word "always" (*sada*)? BapDada does not like the word "sometimes".

Today, whether you are all sitting in front of Baba or you are sitting at your own places, the Father is seeing all of you. Even though far away, you are in front of the Father. The Father saw that today, every child was specially merged in love for Father Brahma. Love makes something difficult easy. BapDada has deep love for every child. Even though you may be effort-makers, you are still the Father's children. Today, BapDada wants the word "always" to emerge from the children's mouths. Is this possible? Those who believe from now that the word "always" is easy and that by keeping the aim, you will develop the qualifications because BapDada is your Helper, raise your hands! Wah! Wah! Wah children! Wah! You may applaud.

BapDada is not seeing just the children in front of Him, but seeing all the children everywhere and saying with love: Wah children! Wah! Just as the *majority* of children are *number one* in having love in their hearts for BapDada, in the same way, in order to become constantly victorious, the word "sometimes" should be removed. Is this possible? Is it possible? Raise your hands for this! Raise your hands high. Wave your hands! You are waving your hands very well. BapDada is pleased to see the children having courage. The Father, both fathers, Bap and Dada, both, have constant love in their heart for each and every child and will always have this love. If, while you are moving along, there is a little attack of Maya, even then, the Father's love for you cannot finish. In fact, BapDada says to the children who are His companions: Give this one *extra* co-operation and love and make him fly. Now, this is what BapDada wants. All of you definitely know the time. You know where the time is going. All of you know this. Seeing the time, remember the things that BapDada has told you about "suddenly". BapDada's desire of the heart is: Not a single child should be left behind; you should remain with Him and return with Him. Staying with Him does not mean physically to stay with Him, but constantly to follow shrimat with your heart is to stay constantly with Him. Now, according to the time, just as when there is love for someone, you want to stay with that one: it is not possible to stay with that one physically. What BapDada wants, and what the family companions want, is that you become equal companions - this is what it means to stay together.

Just as waves of love from all the children everywhere have today reached BapDada, in the same way, BapDada's pure desire is that every day, from amrit vela until night time, whatever you do through your mind, words and deeds, *check* whether what the Father says and what you do are equal. Is this possible? Is it *easy*? Every day's murli is what the Father says. So, each one should *check*: Is what the Father says and what I do the same? This is not difficult because, every night, before going to sleep, each one of you must be *checking* your *result* of the whole day. The Father now wants you children to become complete and bring the time close. Father Brahma is also invoking you: Come children, let us go to our kingdom together. Have the *gates* to liberation open for souls and let them play their *parts* of liberation; the kingdom for some and liberation for others.

On this day, from amrit vela, garlands of love have come here from all directions. BapDada is congratulating all those who have sent them. What are we going to do now? Now, BapDada's desire and your desire is that everyone becomes complete and perfect. Quicken this step even more. You too like this, do you not? When you hear of the sorrow and peacelessness of your brothers and sisters, you don't like it, do you? Now, not giving your time to anything else, get together among yourselves and make a *plan* for this. Let there be zeal and enthusiasm everywhere for becoming complete and perfect. Father Brahma wants each of his child to become complete, the same as himself. You will fulfil this desire of Father Brahma, will you not? So, today, Father Brahma was spreading waves of love and the powers as well as waves of pure thoughts over all the children everywhere. Today is the day for showering flowers, is it not? Seeing the love that the children have for Father Brahma, the Father is not showering you children with only flowers of hopes of, "Baba says and you do", but He is showering all you children from everywhere with flowers of making intense effort. Achcha.

BapDada is seeing all the children, even those who are new. Those who have come for the first time, stand up! Look, the *majority*, half of those who have come are new children. Those who have come, please accept lots and lots of love and remembrance from BapDada. BapDada is pleased, but now demonstrate this by performing wonders. Achcha. Baba is seeing you. Every child is visible in front of Him. Whether you are in front or at the *last*, Baba is seeing you in front of Him on this (a TV is placed in front of BapDada). Each child should accept BapDada's love and remembrance. Now, you will quickly have to bring about transformation. Congratulations for having arrived here. Now make effort and then receive congratulations for claiming a *number* ahead. Achcha. You may sit down. Welcome!

It is the turn of Punjab Zone to serve: Welcome! It is good. Father Brahma had a lot of love for Punjab. He specially toured around Punjab. Father Brahma did not go to all the places, but he went to a few places. In that too, he went to Punjab and so the Father has given His *direct* blessings to Punjab. The speciality of Punjab is that it has made very good kumari *teachers* emerge. They are courageous, not those who are afraid. Is this right, *teachers*? You are courageous, are you not? You are not those who are afraid, are you? You are not. No matter how great someone is or what he is ultimately, they will have to say: "Victory to the Shiv Shaktis". It is good that BapDada is seeing each one doing service and that you will continue to do so. However, one thing is that BapDada told all the Zones to claim a *certificate* and no Zone has claimed this as yet. Now, Punjab should claim *number one*. One person spoke and everyone did it with love. Just as you give your support to one another physically, in the same way, also show the practical fruit in harmonizing sanskars. Is this OK? Now, that *number* has not yet been claimed. No Zone has given this *result* as yet. Punjab will do that. You will do that, will you not? *Teachers*, raise your hands! There are many *teachers*. Very good. BapDada is pleased.

Double foreigners: BapDada is pleased to see the zeal and enthusiasm of the foreign children. BapDada is especially pleased that each of you comes to Madhuban and makes a special *addition* to your efforts. All of you who have come, you have paid special *attention* to one thing or another, have you not? "In the future, we will not do this and we will do this." You take back with you a clarification of both these things. BapDada has seen that you pay *attention* and that those who have become instruments also draw your *attention* to this. This is why BapDada is pleased that many of you pay *attention* and bring about transformation too. BapDada has seen this *result*. So, in future, continue to pay *attention* because when you come to Madhuban, it means to make *progress* in one thing or another. So, have all of you done this? Raise your hands! Definitely go back with one transformation or another. Is this OK? Do you agree? BapDada has love for you because BapDada has seen that while doing *double service*, many children are also very good effort-makers. BapDada is pleased that you constantly continue to claim a *number* ahead; not that you are just moving along. What *number* did you claim? It should not just be that you are attending every day and having classes, but what *progress* did you make each day? To listen to the murli and to imbibe it: the *proof* of this is to bring about transformation. It is good; BapDada is pleased. You are doing this and will continue to do it in the future too. It is good. Wave your hands. BapDada is seeing all of you because it is especially shown on this TV. Look, according to the drama, *science* has progressed

so much in the hundred years before the children came. So, you can see, even now, this *science* is useful for you. Is this OK? Achcha. To all the children, including each child who is sitting at the back too, each one should think: I am in front of BapDada and BapDada is giving me love and remembrance.

Those from Calcutta have decorated all the places with flowers: They do it very well. They do it from their hearts and they also work hard. Therefore, specially give each one of them two pieces of toli and six fruits on behalf of BapDada. Those who have worked hard should receive the fruit of it. It is good that they do it with their hearts and it pleases the heart. Congratulations for service. Congratulations, firstly, for coming here and secondly, for service. Achcha.

BapDada is now seeing all the children everywhere. They are also seeing BapDada. Many many congratulations to all the intense effort-makers. Those who do as soon as they have the thought are said to be intense effort-makers. To all the intense effort-makers, BapDada is congratulating each one of you for your aim of making intense effort, and, together with that, Baba is also giving you congratulations for moving forward.

Today, Baba met everyone. Look, it is not possible to meet each one individually, personally, but while sitting at a distance, BapDada is giving each one who is sitting far away His love and remembrance and experiencing all to be together. Achcha. What are we going to do now?

BapDada garlanded Dadi Janki with a garland of flowers: You are not saying, “What can I do?” Everyone is doing very well. All those who have become instruments are doing very well. Did you hear? (Dadi Janki gave Baba remembrance of some brothers and sisters). Tell them: When BapDada tours around at amrit vela, He also tours around where they are. (Dada Narayan is in hospital.) Do service with attention and also give him love and remembrance.

Mohiniben has sent remembrance from Ahmedabad hospital. No matter how much illness there is but it reduces with BapDada’s remembrance. The illness becomes half if effort is made to remain in remembrance. Just as that is medicine, before that is this medicine of remembrance. She is doing it and she will continue to do it. She is OK and has courage to tolerate it. She will be alright.

Dadi Nirmala Shanta is in her room: Even now she will be listening in her room. She is remembering and the Father is also giving her love and remembrance. Send toli to Narayan on behalf of the Father.

Continue to give everyone the Father’s remembrance. It is good. Those from Delhi are also making good effort. (**Brother Brijmohan** gave Baba news of the Shiva Jayanti programme.) By everyone doing it together with others, the sound spreads. You may have to do it in every corner, but, by your doing it together, it spreads everywhere. It is good. All those from Delhi should feel that they have received love and remembrance.

To Brother Ramesh: Is your health OK? (How can the service of the studio increase?) Make *groups* for that. Make a *committee* of service. You can appoint anyone you want for that and then ask them the *result*: Did they do what they had thought of? If there is any *problem*, then find a solution to it. Sit together for even five *minutes* at night and congratulate them so that they can have enthusiasm. You have to make effort. It is good. Give remembrance to everyone.

All have lots of love for BapDada’s children that are residents of the yagya. Baba gives special blessings to all the Dadi’s who are instruments, as well as to all His instrument children. The Dadis are moving along with blessings and they make everyone move with blessings. Whether they are brothers or sisters, special blessings are for those souls who are instruments for one task or another, and they will continue to receive special blessings. Achcha.

*** O M S H A N T I ***

**While merged in the Father's love, *control* your mind with the powers
and be a constant conqueror of the mind and conqueror of the world (mannjeet, jagadjeet).**

Today, BapDada is pleased upon seeing every child. Each child, whether personally in front or far away, is merged in BapDada's love. BapDada is also happy to see the love of every child. Each child's face is merged in love and, BapDada is very pleased to see every child, to see the children absorbed in love, to see the children merged in love. BapDada is seeing three blessings in every child. One is the blessing of an inheritance from the form of the Father. The second is the blessing of elevated teachings from the form of the Teacher. The third is the blessing of blessings from the form of the Guru. Seeing the form of all three blessings, BapDada is pleased. Every child, whether sitting here or sitting far away, is merged in love. The Father is also merged in the children's love. This love is giving every child the experience of being merged in love. This love is the means to make you bodiless.

BapDada is pleased to see every child. What song does He sing? Wah children! Wah! This love makes you bodiless. What does the Father say on seeing the children? Wah children! Wah! Constantly remain merged in this love. God's love is such that it enables everyone to become merged in love for God. BapDada is seeing each child's fortune in the eyes of each child. You are creating your fortune for 21 births in this one birth. Each one of you is experiencing God's love in your mind. This Godly love is making you so elevated in this one birth that you souls become merged in love; you become bodiless and will return to your own home, Paramdham, and along with that, will also claim a right to your own kingdom.

Today, BapDada is giving the children a special blessing: By being constantly merged in the Father's love, become a conqueror of the mind (mannjeet) and a conqueror of the world (jagadjeet). Constantly be a master of the mind and become a conqueror of the mind. Some think that it is difficult to become a master of the mind, but BapDada says: You refer to the mind as "my mind", so just as other physical organs are yours, and they work under your *control*, in the same way, it is not difficult to become a conqueror of the mind and so a conqueror of the world. Today, the Father wants to make every child a conqueror of the mind and a conqueror of the world. You have to *control* your mind with the powers and definitely become a conqueror of the mind. Today, BapDada wants every child to be a constant master of the mind, a conqueror of the mind and a conqueror of the world. "It is mine and I am a master of that which is mine". You will remain happy by making your mind work as a master, as you want. Just as you make your hands and feet work under your *orders* because they are yours, in the same way, you can be an embodiment of power and make your mind work, but as a master make it work, and you will become a conqueror of the mind and a conqueror of the world. At this time of the confluence age, you receive blessings from God, the Father. The Father, the Bestower of Blessings, fills the apron of every child with blessings. You can create your future for many births in one birth.

Today, BapDada is seeing that many souls have reached their home. With His form of deep love and power, BapDada is congratulating everyone. Together with that, He is also giving blessings. What are the blessings? Constantly be a soul who is an embodiment of power, be a master who makes those physical organs work, be a conqueror of the mind and a conqueror of the world, remain constantly happy and distribute happiness. This is because today, souls of the world, while doing their work, instead of remaining happy, consider themselves to be helpless in various *circumstances*. Make those who are helpless strong. Distribute happiness. You can see the conditions of the world, but make yourself detached and loving to the Father and remain merged in that love. Achcha.

Those who have come, stand up! Today, BapDada is making those who have come by special invitation stand up. (A group of VIPs have come.) BapDada is pleased to see that the children have reached their

home. Does it feel like your home? Does it, then raise your hands! BapDada is also pleased to see the children and is singing the song: Wah children! Wah! Because today, the world needs a life of happiness. So, each one should give many souls the introduction to make Bharat as elevated as it was: It has to be made like that again. BapDada is also pleased. All of you are happy to see your own family, are you not? Look, they are raising both their hands! Very good. You have come to your own home to meet your own Father and your own family. BapDada is giving you this blessing: Never lose your happiness! Remain happy and share your happiness!

It is the turn of Karnataka Zone to serve: 11,000 have come. Seeing so many children, BapDada is singing the song, “Wah children! Wah!” BapDada has seen that every Zone is engaged in trying to make their Zone move forward, and the *system* of each Zone coming to serve gives every child a *chance* to bring the maximum number. BapDada is also pleased to see every child. Look how many there are: half the *class* has come from just one Zone. BapDada is giving the Karnataka Zone a special blessing: You will constantly continue to come together and perform wonders. Any *programme* you have, let it be a programme of wonders. Why does BapDada love the Karnataka Zone? Because service in Karnataka is expanding very well and will continue to expand. BapDada constantly gives those from Karnataka the blessing: With great and constant happiness, definitely enable all brothers and sisters to receive God’s message. No one should be left out. BapDada is pleased that you are doing service and will continue to do so. It is good. Those from Karnataka who have come for the first time, remain standing and the rest can sit down. Achcha. Half the *class* is of those who have come for the first time. It is good that you have come to your home, but claim your full inheritance from BapDada and become an heir before you go. BapDada is pleased. Now the *teachers* definitely have to claim the *title* that BapDada has said: Become a conqueror of the mind, a conqueror of the world and a master of the mind. Conqueror of the mind and conqueror of the world.

Double Foreigners: *Double* foreigners: BapDada now does not say *double* foreigners. BapDada says *double* effort-makers and BapDada has seen that those abroad are paying special *attention* to their efforts. BapDada is giving many, many blessings to all of you who have come from abroad: You will continue to move constantly forward and enable many others to receive blessings from BapDada. Baba has seen that you have a very good interest in serving and, along with that, you are also making good effort to make yourselves move forward. This is why BapDada is especially giving you *double* love. Wherever all of you are, you pay *attention* and remain *tension-free*. BapDada is pleased: You are moving forward and will continue to move forward. You are paying *attention* to the effort of belonging to the one Father and none other, and this *attention* is finishing the *tension*. BapDada is giving *double* love to the *double* foreigners.

What aim will all of you keep in future? All of you have to keep the aim to make yourselves powerful and to do the service of giving others BapDada’s introduction and making them into heirs. Now, each centre has to make their brothers and sisters who are to come into heir-*quality* souls. Heir-*quality* means those who constantly move along as the Father’s companions and also make many others the Father’s companions. BapDada is pleased to see that you are making service everywhere expand very well. Each one has enthusiasm. BapDada heard that you have made a programme for Delhi. In the same way, on this Shiv Ratri, each Zone should make a *programme* in your own cities, that, at the very least, you definitely make them into Shiv Baba’s children. Everyone has these *programmes*, but how many heirs did you create and how many did you bring close through that *programme*. You have to give this *result*. However, otherwise, what BapDada said today: To be a conqueror of the mind and a conqueror of the world: Everyone definitely has to become this. Finish the waste thoughts in your mind and bid farewell to the wasteful. Otherwise, waste thoughts will take up your time. So, today’s lesson is: You definitely have to become a conqueror of the mind and a conqueror of the world. “The mind is mine”, and so you can rule that which is yours. So, each of you should make this your form and also help others. To the guests who

have come: BapDada is pleased that you have at least seen your home! What will you do now? Now, the next time you come, you will not be *visitors*. You will be family members and make others into family members. Do you agree? Do you like it? Raise your hands! BapDada is seeing you. You are good. Now, you are not *visitors*, you are masters of the home, you are the children who are the masters. Do the *visitors* consider yourselves to be *visitors* or do you consider yourselves to be the children who are the masters of the home? Those of you who consider themselves to be the children who are the masters, raise your hands! BapDada is congratulating you one thousand-fold. It feels good. Look, this is a *variety group*. Those who have become instruments to serve others too, both of you stand up! (There are two great souls who are sannyasis sitting in the gathering.) You are very much loved by BapDada. This is why you are those who will make others loved by BapDada. It is good that you are the ones who, with your experience, will make many others experienced.

Very good service is taking place at the kumbha mela: BapDada also heard about that. The child who is the instrument there (Manorama ben), BapDada is giving her a million fold love. Everyone is working very hard. BapDada remembers the daughter every day at amrit vela because, by remembering her, the child receives zeal and enthusiasm and she is doing everything with that zeal and enthusiasm. BapDada continues to receive this news. Lots and lots of love and remembrance to the child.

Achcha, what will all of you do when you return from here? You will make others the same as yourselves, will you not? Each of you should think that you definitely have to give the introduction and message to those who don't know us. They should not complain to you: You didn't tell us. Definitely remove this complaint. It is your duty to give the message to all of those who are in *connection* with you. Your neighbours and those in connection with you should not complain to you that they didn't know about this. It is good that you are doing these *programmes*. On Shiv Ratri, those who know you should at least come to know that God Shiva's work is going on. They should not complain that you did not tell them because there is no guarantee about time. Anything that is to happen will happen suddenly. Everyone has to pay attention to this matter of "Suddenly". Now is the *chance* to create your future and the future of others as much as you want. BapDada is congratulating each child. You are moving forward, but now let your speed be faster. BapDada saw how much remembrance all the children everywhere are sitting in and, while touring around everywhere, BapDada gives love to all the children and, together with love, He also congratulates everyone. There is very good enthusiasm everywhere. Now, free them from sorrow! Now, let your kingdom come! To all the children, whether from abroad, this land or the villages, BapDada is giving lots, lots and lots of love and remembrance to each one.

To Dadi Janki: (Baba, You make us melt.) You will do a lot more service. You are doing and will do a lot more. You are an instrument for service. It will continue, your body will continue. It will continue well.

Mohiniben is now in Lotus House, Ahmedabad. It is good that she has settled her accounts and now, she will make *double* effort and move forward. Each one definitely has to move forward. BapDada is giving lots, lots and lots of love and remembrance. (Together with Mohiniben, her service companions have also given lots of love and remembrance). The servers have served with love and so they have congratulations for that. However, in future too, they should make everything free from obstacles and make her ready as though nothing had happened.

Par Dadi (Dadi Nirmalshanta): You are fine. Your face reminds everyone of the father. Whether you say anything or not, your face does service.

Nirwairbhai: You still have to do service, you haven't got leave yet. All these are instruments. There is now a lot of *chance* for service. Do this, and create great splendour. (You are with us and so we will definitely do that.) You definitely have to do it.

Kunj Dadi sent remembrance from Ahmedabad Hospital: Give her remembrance. She has been Baba's specially beloved from the beginning. Even now, the love and affection is making her body work. BapDada's vision is on her. She has done good service.

(Many brothers and sisters from this land and abroad have sent love and remembrance): Baba is responding multi, multi million times to all those who have sent their remembrance.

Brij Mohanbhai: You have made a good *plan*. It is easy, is it not? Everyone becomes happy. You have chosen a good *topic* of non-violence because, even today, half the people still believe in non-violence; and hearing about non-violence, they will pay greater *attention*.

Rameshbhai: (We will have a Campaign for Women's protection on Shiv Ratri): It is good. Make the sound louder collectively in the gathering. This time, all the centres should do service together with zeal and enthusiasm. Choose a *topic* of the current time. What you are thinking about is good. Keep such a *topic* everywhere so that everyone understands that you want to make the world's atmosphere right everywhere. Nowadays, everyone has a lot of love for the Brahma Kumaris. Previously, they used to say things about you. Now, they have love for you and they become happy when they see your service and expansion. (Rameshbhai's 80th birthday is being celebrated.) Congratulations.

Dr Banarasi: You have not made a companion the same as yourself. Even now, you have not made a companion. This one should make a companion the same as himself, because, otherwise whenever you go somewhere, there is no one else available in your absence, and so patients do not get rest. (Dr Pratap is there.) Pratapbhai is engaged in his own work, he is not free like this one. OK?

*** O M S H A N T I ***

In your karma yogi life, remain constantly content and happy in every *subject* through your intense effort. Through your face filled with happiness and divine virtues, give others the experience of happiness.

Today, BapDada is pleased to see His children who are full of treasures. How many treasures have you received from the beginning? The first treasure you received is of knowledge, through which all the children made themselves full and are also continuing to make others full of treasures. The treasure of knowledge liberates everyone from the bondages that trap everyone and frees them from bondage, sorrow and peacelessness. The second treasure is of yoga through which you have attained many powers. The third treasure is of dharna through which you have attained many, many virtues. However, the biggest treasure of all treasures is the treasure of the time of the confluence age. This has great importance because it is only at the time of the confluence age that you meet the Father, Shiv Baba, in the form of the Father, in the form of the Teacher and also in the form of the Satguru. In this confluence age, you receive the inheritance of 21 births in this one birth – and it is through this inheritance that you do not have sorrow or peacelessness for birth after birth. Along with that, in terms of relationships, the family that you receive is also unique and loving. You receive such Godly love from one another. You cannot receive such Godly love at any other time throughout the whole cycle. So, you are full of all treasures, are you not? Are you? Raise your hands!

Today, BapDada is seeing the children who are full, who are the masters of the treasures. What emerges from His heart? Wah children! wah! Every child is loved by the Father. There are many children and they are meeting Baba while sitting at different places. They are seeing Baba. However, today, BapDada is pleased to see His children, everywhere, far, far away who are full of all treasures and the children also remain happy on seeing the treasures. Children remain constantly happy with the intoxication of the attainments. The Father too is pleased to see the children and their fortune.

Look, today, the Father also heard that everyone has arrived here, running with great happiness. (More than 26,000 brothers and sisters have come here.) Baba also received the news that, because more than the estimated number of children has arrived, some have had to sleep in *tents*. BapDada also saw the *tents* everywhere. However, one speciality of this *group* is that, no matter who it is, whether it is someone eminent or small, someone special or ordinary, the Father saw that they do not sleep in a *tent*, but sleep on a bed of happiness. The song playing in everyone's heart is: Wah Baba! wah! Some even had some difficulty, but where there is love, while sleeping on the floor, they are in the sky of happiness. BapDada is especially congratulating this *group*. Baba is seeing everyone's face filled with happiness. BapDada saw that everyone is also attending *classes* with great zeal and enthusiasm. BapDada hears everything. All the main *heads* of all the *Zones* that have come here, stand up! *Zone heads*! Are all the brothers and sisters you have brought here happy? Raise your hands if they are happy! It is good. BapDada is also happy and is especially congratulating all of you. In the future, BapDada will draw someone's *attention* for this, but upon seeing the power of tolerance of all of you who have come, Baba is giving multimillion-fold love to each and every child. All the children who have come now have shown a very good *record* of their tolerance and of remaining happy. Did anyone fall sick? Was anyone ill? Generally, there are one or two anyway. However, for their power of tolerance, BapDada is *especially* giving those children a gift in the form of deep love from His heart. What are we going to do now?

(18,000 brothers and sisters have come from Bengal, Bihar, Assam, Orissa, Nepal and Tamil Nadu for their turn of service.)

BapDada now wants to see every child as an intense effort-maker. An intense effort-maker means one who is content with his own effort in every *subject*. According to the present time, BapDada also wants to see from every child that the powers and happiness are visible on each child's face, because, day by day, sorrow is definitely going to increase in the world. However, at the time of such sorrow, upon seeing your happy face that is filled with divine virtues, they would also experience happiness for a short time. Through every child's face, they should experience that Godly love (sneh), Godly affection (pyar) – the love to increase their courage and to remain happy. Some children say: We generally remain happy, but in our karma yogi life, there is a difference when we act. There shouldn't be any difference in your karma. While performing

actions, always pay this *attention*: I am a karma yogi soul. I am a master of this body who is making this body function. At every moment, whether you are performing actions or not, think: “I am a soul who is enabling the body to perform actions”. As a soul, what type of soul am I? I am the Father’s beloved son or daughter. I am loved by God. I am a master who is making this body function. Let remembrance of the Father be constantly merged in your heart. So, each one of you should *check*: Am I performing actions as a karma yogi? As a karma yogi, my yoga is with the Father. So, the Father always says: *Follow the father*. The Father is with us. So, what is this *group* going to do? Now, when you return to your own places, give others the experience of a happy face because today, happiness in the world is continuing to decrease and your face should give them the experience of happiness. As you progress further, sorrow and peacelessness is definitely going to increase. No one will have time to listen or to do *courses*, but your face should give them the experience of happiness. This is possible, is it not? Is it possible? Raise your hands! All of you who have come from all the different places have the aim of sharing happiness through your face – of being constantly happy, not just sometimes – The speciality of happiness is – while generally, when you give something to someone, yours will decrease. If you have two things and you give one away, you will have one less. However, if you give happiness to the whole world, will it decrease or increase? You have such happiness! So, now share your happiness with all souls. You will have *double* benefit – yours will increase and theirs will also increase.

So, today, specially remember this task: You have to share happiness. If, for instance, your happiness goes away due to one reason or another, you can take happiness from the Father and remain happy yourself and give happiness to others. So, what will all of you do now? You were told earlier too – become intense effort-makers. Not that you are just moving along, but you are flying. Secondly, BapDada has drawn your *attention* that you must finish the word “Sometimes”. You have happiness and you even say that you have happiness, but it sometimes finishes. So, leave it behind, leave it here for all time, the word “Sometimes”. Can you leave it? Will you leave it? Raise your hands! Will you leave it? BapDada is giving all the children congratulations from now itself for constantly remaining happy. Then, do not use the word “Sometimes” but always remain like that. So, are all of you happy? Are you happy? Do you have the courage to remain constantly happy? Those who believe that whatever sorrow and peacelessness you have sometimes, you will leave these behind this time, you will not take that back with you; those of you who believe that you have such courage, raise both your hands! BapDada is very pleased. Definitely, when the children maintain courage, the Father definitely helps. A big *zone* has come and BapDada is also pleased to see them. There has been a little difficulty, but you have at least come. BapDada is also pleased to meet the children and BapDada always sings the song: Wah children! wah! Achcha. Now, each *zone*, stand up one by one!

Tamil Nadu: BapDada is giving Tamil Nadu a special blessing: Always, whenever you are to carry out a task, before carrying out that task, first of all, take a *special* blessing from BapDada for the success of that task. Be blessed by BapDada and then carry out that task and success will become your birthright. Do not do this after carrying out the task. If you first take the blessing and then carry out the task, success will then be with you. It is good. BapDada has seen that the *majority* of *Zones* are moving ahead very well in service with zeal and enthusiasm, and the *busier* you remain in service, the more you remain free from obstacles by receiving power during that time. Even if any obstacles come, then you become victorious and overcome that obstacle. All *Zones* are making good effort. Seeing the aim of each *Zone*, BapDada is pleased and will constantly continue to make you happy. OK.

Nepal: BapDada is also pleased to see the *result* of this *Zone*. You have good enthusiasm for service and this is why BapDada is congratulating you for being constantly co-operative, for moving forward and for being blessed. Continue to move forward and enable others to move forward. BapDada is constantly with you. Is everyone happy? It is good. There is expansion and expansion will continue to take place.

Bengal, Bihar, Orissa, Assam: This *Zone* is also moving forward very well in service and in increasing the numbers of *students*. BapDada has seen that they have the special blessing of having courage. Because of having courage, they have the Father’s help and will also have it in the future. BapDada is happy and, together with that, Baba will constantly continue to tour around at amrit vela. BapDada has seen that the

centre's location is a good means of increasing the numbers. Because of your courage, BapDada is giving each of you a special blessing of your becoming constant companion.

SpARC, Business, Sports, Education and Media Wing meetings: Half the *hall* is visible with them. All of you, wave your hands! Look how many there are! Half the *hall* is of all of you. It is good. BapDada has seen that every *Wing* has zeal and enthusiasm and, because of zeal and enthusiasm, you create very good *chances* for service. However, you still have to do one thing for BapDada. All of those whom you have made the main instruments in every *Wing*, all the good helpers you have found, each *Wing* should first of all send a *list* of how many and who have become instruments from the time of establishing the *Wing* until now. Now, first of all, each of you has to send that *list* and we will then have a gathering of all of them. Who has emerged and which *group* is larger? Then, we will have a separate gathering of those of different *occupations*, but, first of all, send a *list*. How many *regular students* has each one created? How many are in contact with you? How many are co-operative with you? Baba should receive this *list* from every *Wing*. Even include those who have become co-operative - the *list* of those who are co-operative should also come. Then everyone will come to know the *results* of the *zone*. This is a good thing, is it not? Will you do it? You will have to make a *list*. You will be given a *programme* after that because you are making effort. BapDada saw that those from the *Wings* are doing very good service in their own *subject* and the *result* is also good, BapDada is pleased. It is very good and it will be good, and, upon seeing your *result*, others will also move forward. Lots and lots of love and remembrance to all.

Double foreigners: The gathering of those from abroad is looking very good. You foreigners have made the *title* of BapDada very clear, and on seeing this, BapDada is very happy to see this because, while only Bharat was being served, Baba could not have the *title* of being the World Server, but, because of the service done abroad, the Father's *title* of being the World Server was proved. And one speciality that BapDada liked of the *majority* of foreigners was that earlier, they used to think it was difficult for them to change their *culture*, but upon seeing the *result* now, all are accustomed to Brahmin *culture*. You have shown good power of transformation. For this, BapDada is giving congratulations to all the children of all the places of *double* foreigners.

All you foreigners abroad are expanding service in your own *areas*. You are also paying *attention* to the smaller places and you also have *attention* on your self-progress. BapDada also likes the *programmes* that you make of having *meetings* amongst yourselves in Madhuban. Even now, so many have come and BapDada is pleased to see each and every child. All Brahmins are also singing the song with the Father: Wah *double* effort-makers! wah! BapDada is content that all of you jewels of contentment are also moving forward and will continue to move forward. Om shanti.

The gathering that has come now is making very good *plans*. BapDada has both *plans* for your own stage and also for expansion of service. You are paying *attention* and also have the enthusiasm to move forward. BapDada is happy, happy, happy. Achcha.

All the children from everywhere, whether from *India* or abroad, BapDada is seeing all the children everywhere – with how much zeal and enthusiasm you continue to meet the Father with love in spite of the *time* difference. In spite of the *time* difference, they come with enthusiasm and this is why BapDada is pleased. There is *progress* and BapDada is giving the blessing that there will continue to be *progress*. You are doing very good service: Janak child is the instrument. You are paying good *attention*. BapDada also saw that your companions who are instruments are no less. BapDada is giving special love and remembrance to all those who are instruments and will continue to receive them.

To Ratanmohini Dadi: You are doing everything with responsibility. You will soon receive the fruit of that. BapDada is pleased.

To Dadi Janki: You are doing everything. (Gulzar Dadi is very good.) You are very good *friends*.

Mohiniben: Congratulations. (Next time I will come running.) It will happen, it is not a big thing. (She gave BapDada a bouquet of flowers.) I am giving it to you.

To Nirmal Shanta Dadi: You smile very well. You have the power of service and are eating the fruit of your efforts. You are doing very well. Look at your *zone*. Did you meet your *zone*? Yes, you must meet your *Zone*.

Dr. Gupta ji: It is good. Service means the fruit. It is not service, but the fruit.

Nirwair bhai: You have performed wonders. Your courage and the Father's help. Achcha.

Brijmohan bhai: (We are holding a big *programme* in Delhi. We would like both Dadis to come. We have heard the news that there is going to be a big storm at that time and we are putting up tents there.) Watch the *drama* as a detached observer and remain carefree. Whatever is to happen will happen, but you will remain *safe*. You know about it in advance and so make your arrangements accordingly. (Shantiben is not well and has sent remembrances.) Give her special love and remembrance on behalf of BapDada. (Rukhmani Dadi has also sent remembrance) She has served Delhi well. Also give her Baba's remembrance. (Ashaben and her companions are doing very good service.) Everyone has good enthusiasm for service. Everyone is doing everything together and congratulations for that. (Any inspirations for the big programme?) Baba's inspiration is that anyone who comes should go back having taken something with them. What should they take with them? The *vibrations* of peace from the atmosphere. They should go back with the *vibrations* of making progress. They listen to everything and they like it, but they should now go back with the inspiration to become good. This is what we are trying to do.

To Ramesh bhai: BapDada also hears about your *service*. You are doing well and that will continue. The *plans* that you are making as you continue to do everything *practically* will continue to increase.

BapDada is giving everyone love and remembrance: convey these to everyone. It is good. BapDada saw that there is very good enthusiasm for *service* everywhere. Now, there should be just this *addition*: Heirs and co-operative souls should emerge from all the *programmes* that you have, and by keeping *connection* with them in the future, enable them to move forward. As they move forward, enable them to move further forward. Continue in this way and they will move forward.

Bhopal bhai: Everything is moving along fine.

Mrutyunjaya bhai related to BapDada that the Vice chancellor of the University in Bhopal has signed a memorandum to start value-based education. He has shown good zeal and enthusiasm. BapDada also heard about this and is giving congratulations in advance. Many souls will benefit.

BapDada remotely inaugurated the Akola centre by pressing a remote button: Everyone has good enthusiasm. Where there is zeal and enthusiasm, there is definitely progress in that.

Brothers serving in the accommodation department: You have taken care very well. All are content. No one has *complained*; you have paid attention to this very well. Congratulations for this.

KunjDadi is not well and is in Ahmedabad: Specially send *toli* to her from BapDada. She has courage and has the Father's help. Previously, she remained at a distance and so that increased. Those who were looking after her were not so clever. Now that she has come here (Ahmedabad), she will be fine.

Nehaben: (She serves everyone with a lot of love.) BapDada is also pleased with your service. So, consider yourself to be a jewel of contentment. Your *title* is: A jewel of contentment.

*** OM SHANTI ***

**Stay in the angelic stage the same as Father Brahma,
give everyone the experience of happiness through your cheerful face and
give away your remaining waste thoughts to the Father as a *birthday* gift.**

Today, BapDada is congratulating the children on their birthday. The happiness of the birthday of the Father and their own birthday is visible in the eyes of each child. The birthday today is very unique and lovely. This *wonderful* jayanti of the Father and the children is simultaneous because the Father has come to create the sacrificial fire and Brahmins are definitely needed for the sacrificial fire. This is why the birthday of the Father and the children is at the same time. This birthday is a birthday for world transformation. The Father is congratulating the children with love because this birthday is the birthday for world transformation. Since the beginning, children promised the Father that whatever darkness there is in the world, they are definitely going to make it filled with light.

BapDada is seeing the sparkling *light* on the forehead of each child. This *light* is making all souls *light* too and is bringing this world into light from darkness. On this day, BapDada has a wish for all the children: All the children should make souls *light* through their faces and give the message for remaining constantly happy in this life. This is what BapDada wants from every child on this day. Every soul should experience peace and happiness, and every child should become an angel and give the angelic experience to the world.

So, have all of you come here today to celebrate the birthday of the Father or your own birthday as well? Because the Father's promise is: You will constantly remain together, return together and will come into the kingdom together. Today, at amrit vela, Baba told all the children a *diamond* expression and that *diamond* expression is "My Baba" (Mera Baba). Everyone *noted* this *diamond* expression. No matter what happens, if you remember "Mera Baba (my Baba), sweet Baba, lovely Baba", all your sorrow will then be transformed into happiness. On this day, every child has to have the elevated thought of being in the angelic form, the same as the Father. So, today, have you especially come to give greetings or to receive greetings? A gift is also given on a *birthday*. So, what gift does BapDada want to take from you children today? On this day, whatever waste thoughts you still have remaining in you, give them to the Father as a gift because waste thoughts make you *waste* a lot of your *time*. So, can you give this gift? Can you give it? If you can give it, then raise your hands! Because waste thoughts *waste* a lot of your *time*. They do not allow you to experience happiness. The Father wants the faces of all of you to remain constantly so cheerful that whoever sees you is inspired to become the same.

So, on this day, have the determined thought that your face will always be visible like that of an angel, just like the face of Father Brahma. No matter how much responsibility he had, you always saw his face as angelic. For every child to become angelic, BapDada wants you to *follow* Father Brahma. Whenever you perform any action, *check*: Did Father Brahma perform this action? So, today, Father Brahma, is especially giving everyone a *diamond gift* "My Baba, sweet Baba, lovely Baba!" On this day, constantly *follow* Father Brahma at every step, and have a constantly sparkling face. Now, in one *second*, can you make yourself into a carefree emperor, the same as Father Brahma? Can you do this? Now, all of you remain stable in the *stage* of a carefree emperor. Experience this and see for yourself. Are you carefree or do you have some worries even now? Those who have experienced being a carefree emperor, raise your hands! (Everyone raised their hands.) Very good! All of you keep this aim: Whatever steps I take, do I *follow* Father Brahma? No matter how much business he had, Father Brahma always stayed in the angelic form. No matter how much responsibility he had, yet he demonstrated fulfilling that while being detached and loving. So, what signal does this day give you today? To be constantly detached and loved by all!

BapDada is giving every child many, many congratulations for this day. Today, everyone should have the elevated thought: Whatever actions I perform, I will *follow* Father Brahma. I will remain happy and share happiness. Today, BapDada is giving everyone a gift for this unique and lovely birthday: May you be constantly angelic, the same as Father Brahma. Achcha.

Which *Zone* has come today? **(It is the turn of Indore and Bhopal Zones to serve.)**

Indore Zone: BapDada saw that each *Zone* is expanding very well and all are moving forward day by day in their efforts. BapDada is giving congratulations for success in their efforts to the whole *Zone*. You will continue to move forward in the same way. This is a blessing that BapDada is giving to you *in advance*. It is good. BapDada is pleased with the children's courage. Even now, you will continue to move forward in BapDada's love. This is BapDada's love and a blessing too: You will continue to move forward and enable others to move forward. BapDada saw that each of you has the thought in your mind: We want to keep moving ahead and ahead and are moving too. Congratulations for that. It is like that, is it not? *Teachers! Teachers*, raise your hands! Wah! It is good. With your constant courage, you receive BapDada's help. You have had good courage. You have prepared very good children of the Father and will constantly continue to make them move forward. BapDada is pleased. Look, half the *class* is of just the one *Zone*.

Bhopal Zone: Achcha. You have had good courage. BapDada is especially congratulating all the children who have come from this *Zone*. Both *Zones* have kept good courage. BapDada is pleased to see this. Achcha. Both *Zone-heads*, raise your hands! You are moving ahead very well and will continue to do so. BapDada is pleased with your courage. Service is expanding and your zeal and enthusiasm is also growing. BapDada is pleased with both *Zones*. You will definitely show wonders. You are showing them and will continue to show them. BapDada is pleased. Achcha. *Teachers*, raise your hands! You are waving your flags very well. You may wave them. It feels good. When you bring some uniqueness; it feels good. Everyone's flags are flying ahead of you and will continue to fly. Achcha. Pandavas are no less. Pandavas, raise your hands! Very good. When children have courage, the Father definitely helps.

Double-foreign brothers and sisters have come from 70 countries: What *title* has BapDada given you instead of "double foreigners"? *Double* effort-makers. The *result* is also visible because your *attention* is now growing very well for effort and service. BapDada is *doubly* pleased upon seeing the *double-foreign* children because when the children abroad first started to come here, their *attention* used to be drawn to the *culture*; that this is the Indian culture and that is the foreign culture. However, now, BapDada has seen that all are now moving along in the one Brahmin *culture*, and you are moving along so easily that BapDada is congratulating you: Wah children! Wah! You are showing wonders in your transformation and will continue to show wonders in the future too. BapDada is seeing this future too. It is a wonder! The service plans that all of you are making together now are very good. Seeing your efforts, plans and results, BapDada is very, very, very happy. BapDada saw that you have made good *programmes* to pay *attention* to the self and service. BapDada comes to know everything. This is why BapDada is congratulating those of you from abroad for the *plans* of your efforts and for putting them into a *practical* form. The *result* is good; BapDada likes it from the heart. BapDada is congratulating both: Those who are enabling others to move forward and also those who are moving forward. Madhuban has also become a place with a lot of splendour due to the double foreigners. BapDada is giving special congratulations for both: For your efforts and for the service. As for moving ahead too, BapDada is seeing that you will continue to move forward and that you also enable others to move forward.

Today, BapDada was especially remembering the Madhuban residents, those from up the mountain and also those from down below. BapDada saw that the *majority* of you worked hard and it comes from the heart. Those who do everything with their hearts receive many, many congratulations from the Comforter of Hearts. Achcha, those from Madhuban, those up above and down below, stand up! Today, each of you Madhuban residents should experience that you are receiving personal congratulations from BapDada by name. In the future too, you will continue to receive congratulations. BapDada has many, many hopes for this. Congratulations. Congratulations. Congratulations.

To Dadi Janki: You are also from Madhuban. She goes around on a tour, but, otherwise, she is a resident of Madhuban. It is good. BapDada saw that all three Dadis are moving along very well in service while paying *attention* to everything. You are not just moving along, you are running along. Each Pandava, each sister, specially accept congratulations for yourself. Along with this, BapDada is also giving special congratulations, as well as love, to all those who are instruments in service. Madhuban is Madhuban. Look, there are so many good serviceable ones. BapDada is pleased. Certain things happen sometimes, but the *total result* is good and will remain the best of all. Is that OK? Those from Madhuban say that BapDada does not see them. Today, Baba saw you. He continues to see you from His heart. Achcha.

Congratulations, congratulations to everyone for this birthday. Congratulations to those from abroad too. BapDada continues to see you every day, but, because there are many of you, He continues to see you through drishti. You are doing good service. BapDada saw that the bhandara (new kitchen) is very good. You have made it well. Congratulations. Congratulations to Nirwair. Congratulations to the companions too. Congratulations to all those who have become instruments. BapDada saw that you have worked very well. According to the present time, that *salvation* is good. Today, BapDada is giving special congratulations to each one sitting in the gathering, no matter where you may have come from and to both the *Zones*, they are small, but are strong. You are performing good wonders. BapDada is pleased with both *Zones* and will always remain pleased.

(Nirwairbhai told Baba that everyone was watching BapDada on the Peace of Mind TV Channel.) Very good. Is your health OK? You are moving forward well and will continue to do so.

Look, BapDada is saying *good morning* to each one and also saying *good night* to each one. He is not saying this superficially, but with His heart. There is no child who does not have love for the Father and the Father also has love for every child. Even if they become a little slack, nevertheless, after a little here and there for a while, they become OK. They have good love. BapDada is seeing that everyone has deep love in their hearts for BapDada. This is why Baba is making them move forward and they will continue to move forward. BapDada is remembering each one. It isn't that Baba is not mentioning their names... However, whether each one of you is in Madhuban or in your own *Zone*, it doesn't take the Father long. It doesn't take Him long to love everyone. This is why all of you should experience BapDada to be saying *good night* to all of you. Whether you say it or not, BapDada definitely says it. The Father has love for you! No matter what happens, BapDada tours around all the children at night. How much *time* does it take BapDada to tour around? He does that very quickly because He is in the angelic form, isn't He? So, each one of you should understand that BapDada says *good night* and also says *good morning*. Whether you say that or not, BapDada definitely says that! Achcha.

Those from Madhuban, raise your hands! Those from Madhuban do not have any more complaints, do you? BapDada definitely remembers you, and, no matter how many have come, you definitely have to look after all of them, do you not? Whether each one of you is from the *foreign* land or from India, BapDada cannot stay without remembering you children. So, on the birthday today, Shiva Jayanti, many, many, many congratulations. Congratulations!

Now, BapDada wants each child to sit in *powerful* remembrance for five *minutes* with no thoughts. Achcha. Every day, continue to have the experience of being completely bodiless for five *minutes* every now and then, because the times that are to come will be very delicate. At such a time, if you do not have this practice, if you do not have *controlling power*, you will not be successful. This is why you definitely have to practice being bodiless for two *minutes*, one *minute* or five *minutes*, every now and then according to your timetable: have *controlling power*. All those near by, those from this land, those from abroad, BapDada is seeing that, at this time, the *attention* of the *majority* of children is on Madhuban. So, continue to practise this daily. Such a time will come when this practice will be very essential. Therefore, according to your own time, definitely practise being bodiless.

To all the children everywhere, wherever you are, BapDada is personally giving love and remembrance to everyone. Congratulations. Congratulations. Congratulations. Achcha.

To Mohiniben: Congratulations. You have developed the practice of conducting yourself very well and this is good. Achcha, the one who looks after her is good. She is doing good service. It is good, very good. You are doing service and eating the fruit. Achcha.

(**Brijmohan bhai** sent lots of remembrance from Delhi. The photos that he had sent of the mela that is taking place there were shown to BapDada.)

To Nirwair bhai: All three brothers are good and all your companions are also good.

To Ramesh bhai: Is your health OK? The *programme* in Bombay was good. You are looking after your health and moving along well. It is good.

To Bhupal bhai: You have the Father's company at every step. Very good.

To the senior sisters from abroad: There is splendour because of you. (Jayantiben said: It is because of you.) So many have come, and so the attraction of all of you has pulled them here. Nevertheless, those who are instruments do have attraction. Service is going well. Congratulations.

(Shantiben has reached America safely.) She will be fine.

(Murli Dada is in hospital) Send him some fruit.

(Par Dadi (Dadi Nirmal Shanta) is also in hospital.) It is good for as long as she continues. BapDada continues to see everything. (Send fruit to all those who are unwell.)

(Dr. Vinailaxmi from Global Hospital left her body today.) Baba received remembrance of that soul.

BapDada Himself hoisted His flag and gave congratulations to all the children.

BapDada is sitting in the hearts of all of you. He is always with you. The day will also come when, seeing the Father's flag, everyone will feel: This is my Father. It will emerge from everyone's lips: My Father, my sweet Father, my lovely Father has come. Very good. Everyone has hoisted the flag in their hearts. BapDada is seeing every child. It isn't that you are sitting at the back or that you are sitting in a corner. BapDada is seeing you all and giving each one of you lots of love from His heart. Whether you are at the back or here, you are especially beloved by the Father. Is that right? Those from Madhuban are close. Look, today, all those from Madhuban are flying. Look at them all. Achcha.

***** O M S H A N T I *****

**With the awareness of God (Bhagwan, the Creator of Fortune)
and fortune (bhagya), remain constantly cheerful and make others cheerful.
Let anything wasteful be the past (ho li) and become *holy* (pure).**

Today, BapDada is pleased on seeing the fortune of all the children. The sparkling star of the greatest fortune is visibly sparkling on everyone's forehead. Everyone's forehead is shining. Along with that, the sparkle of the versions of knowledge is visible on their lips. Such a beautiful smile is sparkling on everyone's lips. A sparkle of the image of being merged in the love of the Father, the Comforter of Hearts, is visible in each one's heart. The sparkle of the treasures of knowledge is visible in everyone's hands. The sparkle of multimillions at every step is visible at each one's feet. Speak! Such great fortune is sparkling with much sparkle. Just think how such great fortune was created. The Father, the Bestower of Fortune, Himself, created that fortune. The Bestower of Fortune, Himself, has created your fortune. So, you continue to be happy on seeing your fortune, do you not? Wah fortune! You continue to look at your fortune every day at amrit vela, do you not? The confluence age is the age for creating fortune.

BapDada sees, and continues to be pleased on seeing, every child's fortune,. This is why it is sung: If you want to see fortune, look at the fortune of the God's children. All of you are also happy on seeing your own fortune, are you not? What emerges from your heart? Wah my fortune! Seeing your own fortune, you have enthusiasm for other souls. You also have mercy, but you have enthusiasm for the fortune of each one of those souls to become bright too. BapDada saw that everyone has attained fortune, but that you experience the happiness and bliss of that fortune numberwise. The faces of many children are visible as being full of fortune. To such children, even the Father says in His loving form: Wah fortunate children! Wah! Do you experience happiness? Nod. Do you? Achcha, wave your hands! Wah! BapDada has told you many times that the Father checks all the children, as to whether they are constantly embodiments of fortune, or only sometimes. Those of you who feel that you are constantly fortunate and continue to make others fortunate, raise your hands! Even those sitting at the back are raising their hands! BapDada is seeing you. Congratulations! The face of a fortunate one will be constantly happy and will have the fortune of happiness. So, each one should check the self: Did I remain happy-natured and feel the fortune of happiness from amrit vela till night? Your happiness should never ever decrease. BapDada has seen that some children remain happy-natured such that others also change on seeing their face.

Today, BapDada wants to take back one word from the children. Are you ready? Are you ready? Raise your hands if you will give that! You will not take it back then! Raise your hands! Raise your hands after thinking very well and carefully considering it. Some children say to BapDada: I do remain an embodiment of power and happy natured, but only sometimes. BapDada does not like this word "sometimes" because the Father has deep love for every child. The Father does not like the word "sometimes". You should always be seen as being equal to the Father. There are such children, too, but the Father wants every child to be constantly flying in happiness, to be constantly smiling with spirituality and also making others smile. Do you like this? Do you like the word "always" or "sometimes"? Those who like the word "always" and are that *practically*, raise your hands! Those at the back, wave your hands, because, today, you have come to celebrate Holi, have you not? Holi means that which has already happened, that which is past. The future is always elevated and will always remain so. Each child has had the thought: I am with the Father and will always remain with the Father. BapDada is also pleased. BapDada also does not like to be alone, He likes to be with all the children. BapDada has said many times: Never lose your happiness. He has even told you: There is nothing else as magical as happiness. You know this, do you not? Everything else decreases when you give it, but when you give happiness to someone, will it decrease or increase? Therefore, such happiness which constantly continues to increase - never let go of it! Anyone who sees your face should see it to be always happy-natured. Situations do come. What does Kaliyug, the iron age, mean? Why do you call it the iron age? There would be conflict

and suffering and that is why you call it the iron age, do you not? However, what do we have to do in it? Transformation! Do not get caught up in the situations, but transform those situations and remain constantly *ever-ready* for service. So, you constantly remember your fortune, do you not? By remembering God (Bhagwan, the Creator of Fortune) and fortune (bhagya), your face will remain constantly cheerful and anyone who sees your cheerful face will become even more cheerful.

Today, BapDada is reminding all the children: Always remain cheerful and make others cheerful. All the children have arrived in Madhuban. BapDada saw that some even had to sleep in *tents*. Those who were sleeping in the *tents*, raise your hands! There are very few. They are at the back. Achcha. While staying in the *tents*, did your happiness disappear or were you happy? Those who were in the *tents*, raise your hands! Did you remain happy? Some are even sitting outside. The child (Dadi Gulzar) went on a tour and they were staying in many places. However, BapDada says to them that they are staying in BapDada's heart. The Comforter of Hearts (Dilaram) and your heart. The Comforter of Hearts was sleeping with you. You cannot tell anyone not to come. You have to *welcome* them. Did anyone in a *tent* have any difficulty? Anyone who had any difficulty, raise your hands! None of you is raising your hand. On behalf of everyone, those who are in the tents will receive a multimillionfold right in the world of happiness and peace. They are very courageous. BapDada saw that you have love for the Father and that because of that love you did not experience any difficulty. However, there must of course have been some difficulty. BapDada is pleased. Welcome! You have come. Welcome to your home!

Now perform this wonder. This is a wonder of the power of tolerance, and *thanks* for that. However, for the future, each one of you has love for the Father, and the Father also has love for the children, so the Father feels that, at the very least, each of you children should be like Father Brahma in your renunciation, tapasya and service. Do you agree? You have to *follow* Father Brahma. Are you ready? Raise both your hands for this! Very good! Congratulations!

Now, all of you together have this determined thought. You are ready, are you not? Baba is not going to ask you to raise your hands again and again. BapDada has the faith that the children are good. Sometimes, there are some obstacles in your efforts, but your intellect has firm faith that Baba and you are *combined* and will remain *combined*. Did Baba speak correctly? Nod! All of you who have come from your places, mentioning each one's name and bringing your face in front of Him, BapDada is giving each child a blessing: Whenever any situation arises - something that according to the law should not happen but does happen - then, at that very moment, remove it from your heart and give it to the Father. The Father Himself will take care of it. You know how to give it, do you not? Do you know how to give it? Nod to show that you know how to give it! You know how to take, so do you also know how to give it?

Today is Holi and you have come to celebrate Holi, have you not? What is the meaning of Holi? Ho li. Whenever any situation takes place, it was in the past. Do not keep it in your heart. The gift of Holi is that whenever any wasteful situation arises, just let go of it. Ho li – it was in the past. Constantly do ho li (let it be in the past) and become holy (pure). One is Hindi and one is English. There are two words. Do ho li and become holy. Make a promise in your heart that you will never lose your happiness. Can you do this? That you will never lose your happiness? Those who can do this, raise your hands! Those who have made this promise, congratulations, congratulations, congratulations from BapDada's heart! Achcha. What have you made for Holi? Have you made anything?

It is the turn of UP, Benares and West Nepal for service: Welcome to your home! All of you constantly have this thought: I definitely have to become the same as Father Brahma. *Follow* Brahma Baba. When you have any task, then check whether Father Brahma did that. You have a list of those 10 points. In those 10 points, see what the things are that Father Brahma did. You have to *follow* Father

Brahma. To all of those groups that have come, BapDada is giving you special congratulations. BapDada saw that each group has a lot of zeal and enthusiasm for definitely doing this and demonstrating it. Each group has such power that they can demonstrate this by doing it. BapDada is giving each group many, many, many, many congratulations. Baba is also blessing each group to continue to move forward in every *subject* of service. BapDada is giving all the groups this blessing to move forward. You have come *last* but will go *fast*. You have this courage, do you not? You are good. BapDada is seeing that you have zeal and enthusiasm. BapDada is pleased that each group is returning from here having filled themselves with zeal and enthusiasm. If you have this zeal and enthusiasm permanently, you will definitely show wonders. BapDada is seeing all the groups as those in whom there is hope and who are victorious. BapDada is giving each and every one the blessing for their good wishes and pure feelings.

The Five Wings: Rural Development, Medical, Transport, Administration and Youth Groups have come. BapDada saw that each Wing is moving forward in service with a lot of zeal and enthusiasm and that you are also receiving success in service. This is why, however much service you have done while being hopeful, you have done that well and in future too, with your zeal and enthusiasm, make the heirs emerge now. That *list* has not yet come. From the time that the Wings started functioning until now, many good ones have come into relationship and connection and BapDada is congratulating you for that. However, if any heir-*quality* souls have emerged, then bring them in front of BapDada. BapDada saw that the service is good. No one steps backwards in service. You are moving forward and BapDada is pleased. You have become *busy*. Each one of you is making one programme or another of your own. Even now, wherever you had the programmes for Shiv Ratri, they were good and the *result* is good. You had big programmes and also small programmes. Delhi and Bombay had big programmes and you did it from your heart. BapDada is congratulating them.

To Nizar bhai: You are doing well. BapDada likes the *result* and the plans that you are making for the future are also good. The *result* is good. You are doing it with zeal and enthusiasm. Continue to do that. You have become an instrument. Although it is the Father who is making it happen, those who do it by being instruments also receive BapDada's love and remembrance.

800 double foreign brothers and sisters have come from 65 countries: *Double* congratulations to the *double* foreigners. BapDada is especially pleased with one thing about the foreigners. The foreigners take a lot of benefit from Madhuban. You may be far away but you make good plans for taking benefit from Madhuban. Everyone is *refreshed*. You also make service plans and you bring great zeal and enthusiasm for service too. BapDada heard the *result*. BapDada liked it. You gave *attention* to the groups and *refreshed* them well, so continue to do it and expand it in the same way. Those from different countries come to Madhuban and make good plans for service and have zeal and enthusiasm for their stage. So, there is the meeting and also a good wave of self-progress that is visible. This is why BapDada likes "*double effort-makers*", not *double* foreigners, but *double effort-makers*. You make such plans. The plans that you have made of being close to Madhuban while being abroad are very good. Congratulations! Congratulations! Congratulations! BapDada saw that the foreign lands are no less in service. Just as India is moving ahead with different programmes, in the same way, the foreigners also make very good programmes every year, and they also put the plans they have made into practical form. This is why, on behalf of the *Indian* brothers and sisters, BapDada is especially congratulating you.

2000 Teachers have come in this group: Everyone turn around and look back! Wave your hands! It is good. Teachers have become instruments to take service ahead as much as possible. BapDada saw that the *majority* of you make plans for service. However, each zone should definitely have one or two programmes with all of you together. What will happen through that? You will have a good chance of meeting one another and you will also have a chance of being co-operative with one another. You are

doing service, not that you are not doing service. You are doing it and will continue to do so. BapDada now wants each Zone to get together and have a big programme. You continue to have little programmes, but everyone should come to know that service is happening in this area too. Continue to have one programme or another and continue to move forward. BapDada calls the Teachers His companions. As the Father, so the teachers. Continue to move ahead as much as possible, like the Father. Continue to make others move forward.

Some VIP guests are sitting in the gathering and Brother Anna Hazare (Leader of the Anti-Corruption Campaign) has also come. You have reached your home. It is good. By coming here personally, you saw, you heard, and by doing this, you came closer and will continue to come closer in the future. You did well. You heard everyone and you also shared. BapDada is giving special remembrance to everyone. This one is an instrument, but BapDada is giving all of you special love from His heart and congratulations for coming to your own home. Achcha.

All the children in all directions are seeing and also hearing. BapDada is pleased that the facilities of science are giving children the experience of happiness and that is why BapDada also told you children earlier that science will co-operate with you a great deal. It is giving co-operation and it will continue to do so in the future too. BapDada is seeing how everyone is trying to see personally and they also continue to experience and so, congratulations are given to the scientists too, because you children have received this *salvation* (facility). Everyone watches and also listens. The *majority* are taking benefit from this and that is why BapDada is pleased to see the zeal and enthusiasm of the children. Wherever the children are living, congratulations, congratulations to everyone on this day of Holi. You are holy, you will remain holy and you are establishing a holy world and everyone will remain happy in it. To each and every child, to everyone sitting far away and experiencing being close, lots and lots of love and remembrance. To those who are sitting having liberated themselves from the facilities of science and have adopted some other means, lots and lots of love and remembrance to you too. While sitting far away, all the children are close to the Father. You are seeing and BapDada is also seeing, so congratulations, congratulations, congratulations for Holi!

To the Dadis: Each one is specially loved. Each one of you has a right from the heart and is claiming your right. (Dadi Janki hugged BapDada.) Love to everyone.

To Mohiniben: You are doing well. You have great courage. Where there is courage, there is definitely also help.

To Rukmaniben: You are very courageous. You did well. The result of her (Dadi Nirmal Shanta) sustenance is good. Whatever happened was the drama. Her age too was old.

To Vidyaben (from Kanpur): You have come with a lot of courage. You did well. Your karmic account is settled. You are an instrument for service. It is good. It was the drama. With the drama, there is nothing to worry about. Carefree!

Sunderlalbhai (from Delhi, Harinagar): You have been an instrument from the beginning. Remain carefree. There is a little worry. You have come here and so get yourself checked. It is possible that you do not need to have an operation.

To the three senior brothers who presented their bouquets to BapDada: Baba saw that the service in Bombay and Delhi was good. The aim that you had was well achieved. (Good service also took place in Hyderabad.) Send congratulations to those in Hyderabad. Send them toli. The serviceable child (Justice Ishwariyabhai) is good. He is well-known.

(The facilities of science are good, but obstacles also come.) This is not our kingdom, and so there will be certain things that happen. Meet together and create a method to deal with things. Whatever has been created will definitely move forward.

Increase everyone's zeal and enthusiasm and service. There are small centres and also big ones. (What newness should there be in service?) Bring the newness of bringing closer those who come. At the very least, they should become *students*. Those who only come sometimes should increase their contact with you. They should want to come. Such should be the *result* of those who come. Now they come, say it is good and go away. Now bring them close! At the very least, even if they do not become *students*, they should become those who come, those who meet and who listen. At least they should listen to the murli.

(Can we have the topic "God has come!?") You can have it, but first give them something. Do not just say the Father has come, He has come! This is said with some reason. (Topics such as Inner Peace, Inner Harmony etc. can be chosen.) You can have any topic. Nevertheless, sit together and discuss it. You can find many topics by sitting together.

A new website <http://learnmeditationonline.org> has been created where anyone can take the meditation course on-line. If everyone has passed it, then you may continue with it. It is done well. BapDada is pleased. Whatever has been done is beneficial.

(A garland of 11 thousand grains of pre-fluffed rice with 'Om shanti' written on each one was presented to BapDada.)

***** OM SHANTI *****

With good wishes, be co-operative with one another, remain free from obstacles and make everyone free from obstacles. Remain constantly happy and make everyone happy.

Today, the Master of all Treasures is pleased to see His children who are full of all treasures and “Wah children! Wah!” emerges from His heart. The sparkle of the attainment of treasures is sparkling on the face of each child. The sparkle of the fullness of the treasures is visible in the *majority* of children. BapDada is singing the praise of each and every child: Wah children! Wah! Speak! You are wonderful children, are you not? The Father said and the children did. The Father says that the sparkle of being a master of the treasures should be visible on the face and forehead of each child. Seeing this on all the children who have a right to the treasures, BapDada is pleased and so what song does He sing? Wah children! Wah! Just as today, there is the sparkle of the fullness of treasures on each one’s face, so it should always remain like this. For anyone who looks at you, your face should speak - you don’t need to say anything. So, constantly *check*: Just as your face is sparkling now, does it remain like that all the time? It should be that for anyone who looks at you, your face should speak. You don’t need to say anything; your face should speak. Similarly, they should be visible as those who are constantly full of all treasures, whether they are performing actions, having yoga or staying in remembrance of the Father. Each one of you can remain with your face sparkling as it is now, can you not? Because, nowadays, as time progresses, so too, according to the situations, *tension* will also increase. So, your faces will make them happy. Each child has to make such preparations to do such service. What are the treasures? You know them, do you not? The special treasures are knowledge, yoga and dharna and so *check* these within yourself.

In today’s gathering, BapDada is especially looking at the children who are filled with the treasures. In fact, nowadays, the most elevated treasure of all is the time of the confluence age because, at the present time, the Father Himself comes in the relationships of the Father and the Guru. At the present time, the Father Himself is making the children full of all treasures. So, speak! You have love for this time, do you not? So, all of you should *check*: Have I accumulated all the treasures within myself? Am I distributing all the treasures like the Father? Those of you who believe that you also have a right to the treasures, the same as the Father, raise your hands! BapDada is pleased. The *majority* of you are raising your hands. BapDada is congratulating every child on being full of treasures. It is good. BapDada is pleased to see His children who are full of treasures.

Seeing all the children who have come from everywhere, BapDada is welcoming each and every child. Just as all of you are presently visible as full of happiness, do you always remain like that? No matter what situations arise, they should not take away the happiness of our treasures. Just as your face now is filled with happiness and love, so it should always remain like that. Speak! Can it remain like that? Those who feel that it will always remain like that - the past is past but, from now on, it will always remain like that - raise your hands! Look, all of you are raising your hands. The *majority* of you are raising your hands. So, whenever any situation arises, your face should always remain like that. At least nod! Will it remain like that? Will it? Then, everyone who looks at you will see who has come. Seeing all of you, they will at least become half happy (50% happy). Achcha. Which zones have come today?

It is the turn of Indore Zone to serve: Achcha. Half the people standing up in the *hall* are from Indore Zone. Wah children! Wah! It is good. Seeing every child, BapDada is applauding with happiness. Just as the faces of all of you are happy today, so they should always remain like that when you return home. Make this *promise* to yourself. Look, you like this, do you not? Keep a wilted face and also keep a smiling face; which would you like? You would like the smiling face, would you not? So, from today, all the children, not just the Zone, but all the children should make a promise in your hearts that you will always remain happy and make everyone happy because there is no nourishment like happiness. BapDada has told you about the wonder of happiness many times. There is so much wonder in just happiness.

Look, whenever you share anything, then there is that much less of it for yourself, but if you share happiness, would it decrease? It would increase, would it not? This is BapDada's *slogan*. Remember it! Write down here (on your forehead): I have to remain happy and make others happy. Do you like it? Those who like it, raise your hands! Seeing all of you happy children, others will become so happy. So, make a firm *promise*. What should you do? We will remain happy and share happiness. Is this firm? Or, if something happens here, will your happiness disappear? No. There is nothing that can make your happiness disappear. From today, all of you should *check* this. Do not allow your happiness to go. Do you have this power? If so, raise your hands! Achcha. Just be careful. Those from your Zone and your centre are seeing your hands. BapDada is pleased. You have maintained courage. Your courage and the Father's help will remain together. Everyone's *photo* is being taken, is it not? Then, also give this *photo* to this Zone. If those who have come want this *photo*, give it to them. Your faces should always remain as they are today. Do all of you agree that you will always remain happy and share that happiness? Do you agree? Raise both your hands! Achcha. Remember this *photo* of yours.

BapDada now wants any people who see any one of you from a distance to smile, and on seeing your happy face they themselves should also become happy. Will you do this service? Will you? Achcha, raise your hands! The Father is saying: Wah children! Wah! From today, this should happen for anyone who suddenly comes to any place, and BapDada will also send someone. BapDada does not want to see the children's faces as ordinary. So, you want to please BapDada, do you not? Will you? All of you are saying "Yes indeed" from your heart. Now, each centre should *check* your companions. Do not say anything. Do not ask "Why?" or "What?", but let your face be filled with such love that they become quiet. You will do such service, will you not? You have to remain like that and also make others become like you. When someone suddenly comes to any centre they should experience themselves to have come to a place of happiness. Where there is happiness, there is everything. Generally, what do they say whenever someone is taking leave? Stay happy and prosperous! So, now, BapDada will send anyone secretly and see because all of you children are the children of the highest on high Father. BapDada is also pleased to see the children and is congratulating you from His heart. Constantly stay happy and prosperous. Today, BapDada is seeing that many new ones have also come.

Those who have come for the first time today, raise your hands! Look, there are so many! BapDada is congratulating all those who have come. You have come before the time of "*too late*", but you now have to show wonders. Do you have this courage? Those who have come for the first time, stand up. Look! Did everyone see how many have come? Achcha.

150 Kumaris have come from the Indore Hostel: It is good. BapDada is pleased. Each kumari will emerge from here as a *serviceable* jewel. Do all of you have courage? If you have courage, raise your hands! When children have courage, the Father definitely helps. BapDada is also pleased. BapDada's thought of giving *extra* help always remains for the children who have courage. All those who have come today, BapDada is giving special courage to each one. Never be afraid! As soon as you say, "Mera Baba" (My Baba), Baba will become present. Just say it from your heart. Do not say "Mera Baba" superficially. Baba also has love for the children. With your courage, there is definitely help from the Father.

This is the *last meeting* of this season, but for the next *season* everyone has to carry out two tasks. Firstly, make your service place constantly free from obstacles with constant good wishes and pure feelings. You remain free from obstacles and make everyone free from obstacles. Do you agree? Then raise your hands! You are raising your hands very well. BapDada is pleased on seeing the hands, but keep the Father constantly happy. Do not think and do not give Baba anything to think about! Nevertheless, the Father is constantly happy and constantly gives blessings to every child: May you be immortal! However, what are you especially going to do for next *season*? BapDada's thought is that every child definitely knows his own weakness, whatever his particular weakness is. You know your own weakness, do you not? Finish

that weakness, whether it is waste thoughts or anger and then come. Even a little bit of anger causes distress to the self and the place. So, whatever weakness you have, finish that and then come. Do you like this? If you like it, then raise both your hands! Wonderful! Just as you are *ever-ready* in raising your hands, in the same way, also remain *ever-ready* in renunciation. So, what type of gathering will there be next *season*? One that is free from obstacles, and one that the Father likes. Dadis, do you like this? Raise your hands! Now, we shall see. To those at the centres: remind one another every night what you have *promised*! Are you moving along according to your *promise*? Ask with good wishes, not in the form of taunting. With good wishes, be co-operative with one another and give one another signals with the good wishes of making one another move forward.

So, what was today's *slogan*? We will remain happy and make others happy. Do you like it? Raise your hands if you like it. *Photographer*, take their *photo*! So today, whatever weaknesses you have, leave all of that in this *hall* before you go. Do not take them with you. Can you do this? Raise your hands for this! Congratulations! Congratulations! Congratulations! Achcha.

Double Foreigners: BapDada does not say “*double* foreigners”. He calls you “*double* effort-makers”. You like this, do you not? BapDada has seen that the *double* foreigners also have a very good method of bringing about transformation within themselves. BapDada is pleased that the *double* foreigners are moving forward. You will continue to increase your zeal and enthusiasm in your efforts. You are going from here having made that *promise*. It is like that, is it not? You have made a *promise*, have you not? This time, Baba has seen that the *double* effort-makers with a good result have met each other, and have also had an elevated thought. However, when you return, bring this thought into your awareness every day. At night, when you go to sleep, *check*: is the thought that I had happening? If it is not happening, then before going to sleep at night let the zeal and enthusiasm for the next day *emerge* and then go to sleep. When you wake up in the morning check whether the thought you had is still *emerged* or whether it has *merged* even a little? If it has *merged*, then bring it back with enthusiasm. BapDada saw that there is a lot of difference in the foreigners and BapDada is also congratulating you from His heart, “Wah children! Wah! (Wah Baba! Wah!) BapDada feels that not a single child should be any less. Each one should be ahead of the next, whether you are from this land or abroad. BapDada is pleased with the means of progress that those from abroad have used in Madhuban. You also take benefit from Madhuban and, seeing that, Baba is pleased because this many foreigners cannot get together anywhere in foreign lands. However, by coming to Madhuban, all foreigners are progressing very well in taking benefit from Madhuban. BapDada is pleased on seeing this. All of you from this land are also happy on seeing the efforts of the foreigners, are you not? Look, everyone is happy with you. It is good. You have BapDada's special congratulations. Congratulations! Congratulations!

2000 Teachers have come: *Teachers*, raise your hands! There are many *teachers*! *Teachers* means those who show the *future* through their *features*. BapDada loves the *teachers* very, very, very much from His heart because *teachers* are on *duty*, the same as the Father. BapDada is pleased, but... There is a “but”, but Baba will not tell you about that now. Each *teacher* means one who reveals the Father through her *features*. It is good. BapDada sees the efforts that you are making, but you have still not fulfilled BapDada's desire of making the centre free from obstacles. Now, this year, try and do this. Baba should receive a letter from everyone, “Our Zone is free from obstacles.” Is this possible? Is it possible? You are not showing so much courage! Now, this year, show this wonder! You have this courage, do you not? You have the courage; it will happen. BapDada is with you. Nevertheless, BapDada is pleased on seeing your fortune. Now, please Him even more. You have understood. Achcha. What will you do next *season*? Wear a garland of determined thoughts. There is no need to tell you what BapDada wants. Whatever BapDada wants and what you also want, do that *practically*. Is that all right? Is that all right, *teachers*? Raise your hands! There are many *teachers*. Wah *teachers*! Wah! Achcha, you have been told what you have to do for the next *season*. You definitely have to do it. Everyone, say this loudly: We definitely have to do it. BapDada would be so pleased: Wah children! Wah!

Whatever weakness you have, you definitely have to renounce it. Is it firm that you have to renounce it? Those who have the firm thought that you are definitely going to do it, raise your hands! Achcha. You have raised your hands very well. BapDada is pleased on seeing your hands. Now you have to claim a *number* in doing it. So whatever thought you have this season should not just be a thought, but you definitely have to do it. No matter what happens, you definitely have to change. Have this determined thought. Ultimately, you have to bring the time close. You have to go to your kingdom, do you not? You want to go there, do you not? Raise your hands if you want to go. Do you want to go? So, we shall see. You definitely have to make preparations to go there. Achcha.

Lots and lots and lots of love and remembrance from BapDada to everyone. Nowadays, with the facilities of *science*, everyone sees everything very closely. BapDada's love and remembrance to all those who are seeing and who are personally in front of BapDada. BapDada is garlanding you with the garland of His heart. Achcha. Om shanti.

To the Dadis: BapDada is with you anyway. (We are together, we will remain together and we will return together.) This is a firm promise. While you are here, you will remain well.

To Mohiniben: Look, she has died alive. It is good. (I have your blessing.) Everyone has blessings. (Gulzar Dadi also has them.) This is why she is moving along.

(Nirwair bhai gave thanks to Baba.) Thank you child!

(Baba was shown the results of the mela in **Delhi**.) The result is good.

To Golakbhai: Keep yourself happy. Whatever the situation is, hand that to the Father.

To Rukmani Dadi: You will become well. You have everyone's love. You have everyone's love and also the Father's love and love will make everything well. (Yesterday she was saying that she has come to remove her debts.) There are no debts. Make the situation small, do not make it big. Everything will be fine. Achcha. Love and remembrance to everyone.

To the VIPs: Now, you are not guests, you belong to the family. Speak! You are from this family, are you not? Raise your hands! You are in the Father's heart. You have made the Father sit in your heart. He is the Comforter of Hearts, is He not? So, seat Him in your heart. Whatever happens, the Comforter of Hearts will give you co-operation. All of you have come. You have come to the place of Dilaram, the Comforter of Hearts. Whatever desires you have in your heart, by coming here you have finished them. Meet the children, have an exchange and whatever is in your heart, finish that before you go, and fill your heart with pleasure when you go. There is pleasure and more pleasure. BapDada is congratulating you because you have come here. BapDada is pleased. You have reached your home, and you have now seen the way back home. Now, continue to come and keep the connection and relationship going. Achcha. Welcome! BapDada is giving you love and remembrance.

(A new building is being built in Dubai and BapDada inaugurated that with a remote control.)

To Jyotiben, Dubai: Are your service companions OK? Increase them! You are close, are you not? Also, whatever power there is here, it reaches you. Stay in pleasure. Whatever task it is, say, "Baba, this is Your task, You do it!" BapDada is your Helper.

(A new auditorium is being built in Jaipur which BapDada inaugurated with a remote control.) Congratulations. Achcha. All of you are lost in deep love. You are with the Father, you will stay with Him, return with Him and rule together. Achcha.

*** O M S H A N T I ***

According to the present atmosphere, do the service of giving *powerful* sakaash through the power of your mind. Transform the attitudes of others through your own attitude.

The Father is receiving each child's love. In *response* to love, BapDada is also giving every child multimillion-fold love. Each child is merged in love. Seeing the loving children, BapDada also repeatedly says in His heart: Wah children! Wah! The Father feels lonely without the children and the children feel very lonely without the Father.

Today, the Father's love is merged in the forehead of each child. The Father's heart says: Each child is "Wah child!, Wah! - Today is the special day of a meeting for the *double-foreign* children. BapDada is pleased with the service abroad. The service in Bharat is no less, but, according to the present times, BapDada saw that the service abroad is also expanding very well. Very good children who were separated have come to claim their inheritance. Time is showing its scenes, but the children are moving ahead in their service, whether in this land or abroad. BapDada is pleased with the children's service and, on seeing the *result* of every elevated task, says from His heart: Wah children! Wah! The *double* foreign children are also no less in giving the message and introduction everywhere and the children of Bharat are also no less in service. BapDada is pleased on seeing the service of both. Along with this, you are numberwise in the stage of your minds. Now, BapDada wants you to become fast in both your own stage and in the stage of service. BapDada wants every child to remain constantly unshakeable and immovable and continues to move ahead. According to the atmosphere of the world, the *majority* of children need power of the mind to transform the atmosphere through powerful sakaash. Make the power of your mind even more *powerful* and with this power of your mind, it is essential to pay greater *attention* to transforming the influence that is there at the present time. According to the present time, instead of using the power to listen and explain to others, there is a need to transform the attitudes of others with your own attitude. BapDada saw that the power to transform the attitudes of others still has to be used more.

So, today is a special day for the *double foreigners*. BapDada is giving multimillion-fold shabhash (saying well-done) especially to the *double foreigners*. Why? Those from this land are also no less, but, according to the atmosphere abroad, they have brought about good expansion of service and this is why today is their special day. While touring around all the countries abroad, BapDada saw that the *majority* pay very good *attention* to service. Bharat is also no less. Those from Bharat are also creating various *programmes* and various means to create zeal and enthusiasm. Seeing the *service*, BapDada is pleased with both sides, but, according to the present atmosphere, there is a need to transform the atmosphere with the power of your mind. BapDada is pleased to see the enthusiasm of the children.

Are each of you children, both from Bharat or abroad, happy with your own self-progress and progress in service? Now, there is a need to *change* the *vibration* and the atmosphere with the power of the mind. This will not happen by listening and speaking knowledge, but the good wishes of your mind can transform the attitudes, vision and actions of people. Today, BapDada is giving every child, whether from abroad or from this land, congratulations for the expansion of service. Achcha.

Those from abroad also have very good gatherings among themselves and exchange of service and are moving forward very well. You get a very good *chance* in Madhuban to meet amongst yourselves, to have heart-to-heart conversations and to make *plans* for service. BapDada sees everything as to how children have made gatherings amongst themselves and are making service move forward. BapDada is congratulating you. Bharat is no less. BapDada continues to see both of them. There is very good zeal and enthusiasm for service on both sides and the *result* is also good. BapDada is pleased. Now, also pay *attention* to the method of becoming a self-sovereign and *practically* experiencing that method. Today, there is a need for bringing about transformation with the power of your mind and for transforming the attitudes of minds. Like now, there is corruption and talk about

corruption everywhere; this atmosphere has to be transformed with the power of your mind and create zeal and enthusiasm in everyone's mind to have remembrance of God. Achcha. What are we going to do now?

Group meetings

UK, Europe, Middle East: Each and every jewel is great and a mahavir. BapDada is giving each mahavir child special love and remembrance from His heart. It is good that the gathering is getting bigger. Congratulations for that. Achcha.

Australia, Asia: It is a good gathering. Seeing each child, BapDada is singing praise of each child in His heart: Wah children! Wah!

Americas and the Caribbean: Seeing each child, seeing their fortune, wah each one's fortune! Baba is pleased on seeing this. Each one's praise is ahead of the next. It is good that you have come together in a gathering. However many steps you have taken, you have accumulated that many multimillions and BapDada is therefore giving multimillion-fold congratulations to each child, all those who are sitting here, whether from this land or abroad.

Africa, Mauritius: Wave your hands! You are souls who constantly move forward and enable others to move forward. BapDada is pleased on seeing the present and the future of each child. Constantly continue to move forward and enable others to move forward. If someone is even a little weak, then co-operate to give your own support or enable them to receive co-operation from the seniors. Whilst *checking* and paying *attention* to both - being a benefactor for the self and others - continue to move forward and inspire others to move forward too.

Seeing the *total group* from abroad, BapDada is pleased that you have achieved expansion and are flying with the right method and that you will continue to fly.

Russia: *Teachers*, at least applaud them. '*Teachers*' means those through whom BapDada's *features* are visible. From their eyes and from their every word, "My Baba" and "lovely Baba" should be experienced. People should not see the *teachers*, but BapDada should be visible in the *teachers*. They are like that, and BapDada is telling each *teacher*: Move forward and, while enabling others to move forward, continue to make them equal to the Father. Wah *teachers*! Wah! Baba is seeing the fruit of your efforts. The fruit of your efforts is visible. Very good. Now, each one of you should try to make the *future* visible through your *features*. The lamps of hope should be visible. Our kingdom is now about to come. This zeal and enthusiasm should be visible in the *features* of each and every one. Very good.

Double foreigners who have come for the first time: Welcome. You have come to your own home. BapDada is pleased that the children who had been separated have reached their home to claim their inheritance. A hundred-thousand fold congratulations to you on behalf of everyone and on behalf of the whole family.

Who is the *teacher* of the *teachers*? Of course BapDada is that anyway, but you (Dadi Janki) are also BapDada's companion. You are paying very good *attention*. Whether they are *teachers* from Bharat or *teachers* from abroad, today BapDada is giving all the *teachers* love from His heart. Achcha.

Today is the day for the *double foreigners*. BapDada is also happy; in fact He is constantly happy but there is happiness within that happiness. All of you Bharat-resident children are happy seeing the service abroad, are you not? Are you happy? BapDada is happy. Why? Because He is the Father of the World. He is not just the Father of Bharat. Not just Bharat, but the World Father. It is all the different *foreign* children who are instruments to reveal the World Father. Today, BapDada is giving congratulations to each child: Wah serviceable children! Wah! Achcha. (While giving drishti, BapDada went back and then He was invoked again.)

Speaking to the Dadis: This was hide and seek. (Dadi Janki: Baba, You have given me so much happiness, what can I give You?) You have given everything. You have nothing left. You have given everything.

Speaking to sisters from abroad: You have created a good flower garden. BapDada likes it. They are moving along with good zeal and enthusiasm. Very good fruit has emerged from all your efforts.

Special love and remembrances to everyone. Congratulations for service. Constantly continue to move forward and inspire others to move forward.

Kamalmani Dadi: Are you all right? Now get up! Now, don't go to your bed. Sit and do service.

Rukmani Dadi: Are you all right? Try and manage your health as much as possible. Do not make the body work too much. Rest a little in between because there is still some *time* and you have to do service in that time. Look after yourself and also do service. Look after yourself very well.

Chandraben (Mauritius): You have played your *part* well. Are you all right? Wake up every morning at amrit vela and continue to say "Wah Baba! Wah my Baba!" Sit and do service according to the strength in your body. Do not conduct *classes*, but do *personal* (individual) service. You are free from obstacles.

Mohiniben: (I came here walking.) You still have long life and so will continue to walk.

Brother Charlie: You are doing good service.

(**Gayatriben** gave Baba remembrances from Aunty and the family.) Give them deep love from BapDada too. She is good. According to the strength she has, she is moving forward very well and as much as possible, she is doing good service through the mind. She is not the one who stays without doing service. She is good. Achcha.

BapDada gave everyone greetings for Deepawali: To all the sweetest, long lost and now found, beloved children from everywhere, love, remembrance and *good night*. For the coming Deepawali - you are the living lamps and so, to all of you ignited living lamps, many, many, many congratulations for Deepawali. To all the children from everywhere, whether from this land or abroad, the Father is giving congratulations for Diwali to each child. *OK. OK.* Always *OK*. What is there to worry about? If any worry comes, give it to the Father. You remain constantly *OK*. You all have the aim that you lamps of Deepawali are constantly ignited and will remain ignited. You will go to your kingdom and celebrate Deepawali there too. You remember your kingdom, do you not? It is now about to come.

(What would be the difference between the Deepawali here and the Deepawali there?) The decorations there will be lovely and unique: decorations and love - love from the heart. In fact, even someone who is sulking can ignite a lamp, but there, everyone will ignite the lamps with great happiness. They celebrate with pleasure. The kingdom itself is a pleasure. Here, they even ignite lamps under compulsion. (You are invited to come and celebrate Diwali there.) Let's see. I will not do anything, but will watch everything from a distance. You will ignite the lamps and the Father will only watch. (If BapDada were to come and celebrate Diwali together with us there, it would be even better.) It is the *part* of the children there. Achcha.

To all the sweetest, long lost and now found beloved children from everywhere, love and remembrance for today and also love and remembrance for Deepawali.

*** OM SHANTI ***

No matter what situation arises, give that to the Father and continue to smile.

Seeing all the happy children, BapDada is very pleased. Wah! my fortunate children, my happy children, wah! BapDada is merged in everyone's heart. The fragrance of love is emerging from every child's face. All the children are souls who remain constantly happy and prosperous. Seeing the smiling faces of each and every child, BapDada is pleased. Constantly smile in the same way, dance in happiness and continue to move forward and enable others to move forward. BapDada is seeing a sparkling star on the forehead of each child. Achcha.

Today, the attraction of all the children's remembrance is reaching BapDada. You are constantly happy and will always remain happy. Whatever situation arises, hand it over to the Father and you continue to smile. Achcha. In spite of the condition of the body, today, BapDada is celebrating a meeting because of the invocation of all the children. Achcha. Today, because of the condition of the body, it is a short meeting.

All the children everywhere are listening and also celebrating a meeting through the eyes. Seeing the meeting of the children, BapDada is so pleased! Each of you children can know this. Achcha.

The group that has especially come for this meeting, today, raise your hands! (15,000 brothers and sisters including serviceable souls from the Karnataka Zone have arrived.) All those who have come this time, congratulations, congratulations, congratulations. Achcha.

BapDada is giving lots and lots of love and remembrance to all the children everywhere who are, like chatrak birds, listening and also seeing. All of you (sitting here) are receiving direct love and remembrance. However, all the children everywhere sit with a lot of love, that is, with great hope. For all those children who have great hope, just as the children are seeing, BapDada is also seeing them. BapDada is celebrating a meeting through the eyes with everyone. Achcha.

All those who have become instruments, whether Shaktis or Pandavas, everyone is carrying out their task while being loving and co-operative and will continue to do so.

(Mohiniben and Munniben are going to Dubai for seven days.) The programme has been made and so you have to go. (We need Your help.) Baba is bound to give help. (Dadi Janki gave Baba remembrances of the sisters from abroad.) All those who have sent love and remembrance, BapDada is giving them love and remembrance while giving them drishti.

***** OM SHANTI *****

Beloved Avyakt BapDada's deeply beloved, chatrak souls who are constantly thirsty for an avyakt meeting, those who are merged in BapDada's love, the most elevated confluence-aged fortunate decoration of the Brahmin clan, please accept hearty love-filled remembrance and greetings.

Today, 30th November 2013, nearly 15,000 brothers and sisters from UP and foreign lands have arrived in Shantivan for the avyakt meeting. According to what is fixed in the drama in the previous cycle, there was supposed to have been a meeting with Avyakt BapDada through the chariot of Dadi Gulzar in the corporeal form. However, after her operation, Dadiji is experiencing a lot of weakness and was therefore unable to come to Abu from Mumbai.

Today, everyone was lost in remembrance of BapDada from amrit vela. There was a very beautiful peaceful and avyakt atmosphere. From 4pm this afternoon, all have come to the Diamond Hall to experience an avyakt meeting through their avyakt stage. First of all, Suryabhai shared his inspirations on having avyakt experiences through yoga commentaries. Then, there was powerful conducted meditation from 6-7pm and, thereafter, everyone heard and saw a revised avyakt murli. At 7pm, all the Dadis and senior brothers came onto the stage and, at this point, Dadi Gulzar offered bhog to BapDada in Mumbai. (Everyone saw this whole scene through video conferencing.) Then Dadi Gulzar shared BapDada's message with everyone:

Om shanti. Today, carrying everyone's love and remembrance, I went to Baba in the subtle region. Baba was sitting on a gaddi in his room, and when I came in front of Baba, He celebrated a beautiful meeting with me with a sweet smile and said: Come, the garland of my heart, whose remembrance have you brought today? I said: Baba, today, your long-lost and now-found children from UP have come to celebrate a meeting. It felt as though, while sitting in his room, BapDada was not there. Baba was celebrating a meeting with all the children while giving them very sweet drishti and all the children sitting there were also celebrating a meeting with BapDada with a lot of love. Then Baba said: All of you children are the garland of BapDada's heart. When Baba was giving each child drishti, it felt as though Baba was saying something individually to each one He saw. I was not able to hear that, but, seeing Baba's face and image, it felt as though Baba was embracing each one and while embracing each one, was merging each one in Him. I first saw this scene.

Then, Baba said: The children's love for the Father and the Father's love for the children is the special fortune of the confluence age. Seeing each child, whether he is the first one or the last one, BapDada was seeing the children as though He was looking at something belonging to Him with a lot of love. He was giving them a lot of love by massaging each one with His hands. In the same way, Baba was giving so much love to each one through His drishti, as though He was giving that love personally and everyone was also having that feeling as though Baba was meeting them personally. Everyone's eyes had become moist. There weren't any tears, but the eyes had become moist. I was seeing how Baba was celebrating a meeting with each child. After that, Baba said: Look children, at the confluence age, it is the Father's part that is being enacted and you long-lost and now-found children know this. Baba was giving each child sweet drishti, numberwise, as though He was saying something to each one individually.

Then I said to Baba: Baba, You keep saying things to us, but we don't listen. Baba said: Only Baba knows the sound of the heart and the hopes in the hearts of the children who have come. Just see how each child is looking at Baba, just like someone thirsty. Baba said: Look, this was also fixed in the drama, and Baba knows the state of each one's heart. No one else can know this. Baba knows what is happening in each one's heart. Baba is pleased to see how much deep love from the heart each child has for the Father. Baba said: Look, if it weren't for Baba's love, He wouldn't have found you. Some have come from abroad, and others from the different states of Bharat. Baba found everyone, did He not? Baba has so much love that He has found the children who had become lost and called them to Him. Having said this, Baba continued to give drishti and, calling each one a child who will definitely become something, gave them love and remembrance. Baba does not leave anyone alone. Just as little children do not leave their father, in the same way, Baba does not leave aside the children's love. Baba saw that two things were happening in the hearts of the children who have come. Firstly, there was the feeling of the love of having found Baba, "I

have found Baba”, and, secondly, the understanding that we have come here but where is Baba and where am I? However, each one’s love became merged in the Father’s heart. Baba said this and then said to me: Child, it is now time and so you definitely have to go back.

Baba then said to each of His long-lost and now-found children: You have come to this bhatthi and so Baba is applying a tilak for the bhatthi on each one of you. Baba took a tilak, stood up and then put the tilak on each one’s forehead. Baba then said: Your bhatthi has now been inaugurated. Then Baba gave special love to the new ones who have come. Who are the new ones who have come here today? (New brothers and sisters stood up.) New children are very much long-lost and now-found beloved children for Baba. Baba calls them the long-lost and now-found ones. Baba gave each one a very sweet smile, He gave love and remembrance and said: Give each one My love and remembrance by embracing each one on my behalf. So I am embracing each one of you on behalf of the Father because I saw it there, but it is only here that I can do it. So, a very, very sweet embrace to each one from the Father.

Hello, my sweet Dadi Janki is also sitting there. Dadi Ratanmohini too is sitting here. Madhuban residents are also sitting here with a lot of love. Their faces are speaking for them.

Dadi Janki: Dadi, what can I say? Baba is wonderful and you are no less. No matter how, you took the feelings of my heart to Baba, you took my love to Baba and Baba celebrated a meeting with me with a lot of love. Baba says: Whatever is happening in the drama, there is benefit in that. I said: Baba, You are so sweet and lovely. Baba is sweet and in order to make us sweet, He tells us the sweet things in His heart and wins us over and quietens us completely. Dadi, by sharing Baba’s message with us, you have given strength to my heart. Dadi, what can I tell you about the condition of my heart? You are sitting in Mumbai. Look, while sitting there, you didn’t leave Baba alone and neither did I. Simply love Baba.

Dadi Gulzar: Everyone is giving you love, Baba is seeing that. Together with Baba, I also remember you. Mohiniben, I am sure you have made yourself all right and are sitting here very well. Seeing you progressing in your health, I am very, very pleased. Stay alive and be prosperous.

Brother Nirwair sent remembrances to everyone from Mumbai: Om shanti. Om shanti to all brothers and sisters. Om shanti to all who are in the gathering and all who are listening in this land and abroad. Dadi, Baba heard your pure thought and gave such courage to Dadiji and also gave good health that Dadi was able to get ready and be present in front of everyone. It feels very good to see all the brothers and sisters and to see all those who have come. This Godly family is such a special family and the gathering of the Godly family is so special. It is as a result of this gathering that the whole world is to benefit and this is what Baba thinks of the children. So, congratulations to everyone. Congratulations. Special thanks to Karunabhai that he sent the brothers here so that we are meeting from here.

Dadi Janki: Thank you to you and to Neeluben and Yoginiben.

Dr Ashok Mehta: Om shanti. Our very lovely Dadi is just fine and is celebrating a meeting with all of you. Dadiji is completely fine and has recovered very well. Dadiji will very soon be amidst all of you.

Yoginiben: Dadi, we feel as though BapDada has incarnated here. We can see the whole Diamond Hall from here. Dadi Janki said that Baba made you an instrument and enabled all of us to have a meeting. Neeluben is looking after Dadi very well. (21 varieties of bhog have been prepared for Baba.)

Dadi Gulzar: All brothers and sisters who are residents of Madhuban, love and remembrance to each fortunate resident of Madhuban.

Nirwairbhai: Dadi, Baba is definitely listening to what everyone’s desire is and Baba always fulfils the children’s desires. Dadiji will be completely fine and soon return to Madhuban. Baba’s programmes will be very beautiful. Dadi, the doctors have all informed Dadiji that her health is very good. Dadi will continue with Godly service for many more years.

Dadi Gulzar: With everyone’s blessings and good wishes and Baba’s help, I will be fine very quickly and will be back in Madhuban soon. Dadi is embracing you.

Message from senior brothers and Dadis for the world:

Rameshbhai: Baba has made the lesson of “Nothing new” very firm for all of us. So, today’s programme took place on the basis of “Nothing new”. I liked this very much. When we used to have programmes here, those at other centres would also see it. In the same way, those from Mumbai watched the whole programme from here. The scene that you just witnessed of Karankaravanhar Baba – according to the drama plan, Baba gave a very good experience of that. Baba has been saying that when you remain stable in the avyakt stage and remember Baba, Baba will then give you very good experiences. So, many, many congratulations to all of you for today. According to Baba’s knowledge, no one is new. Greetings and congratulations to all Baba’s children of the previous cycle who have come here, whether new or old.

Brij Mohanbhai: Our Beloved Baba is benevolent and, according to the time, in order to take us close to our destination, He is also giving us so much love. For 44 years, we have had the habit of thinking that Baba will come and we will meet Him. Baba has told us why He comes; so that we can go up. So, today’s experience was so good. We all met Baba through the medium of Dadi Gulzar. She told us how Baba was speaking to each and every child, how He was meeting them and giving them power and making them content. Dadiji also told us how each one’s eyes had become moist. Truly, I was feeling that the eyes of everyone were becoming moist. According to the time, Baba wants us to celebrate the avyakt meeting in such a way as though we are meeting Baba personally. All the brothers and sisters who have come from so many places should not have the slightest feeling that Baba didn’t come. So, Baba celebrated the meeting in a very unique way. This was also a very good experience. All the brothers and sisters in the world were seeing all of this on television. This was a very good meeting to give a very good experience. BapDada is giving us signals that, according to the time, we will have to celebrate a meeting in this way. And, the murli you heard of the power of silence, we all will have to have that experience. All of us should continue to move forward and quickly complete this task.

Dadi Ratanmohini: All of us just now experienced how Baba fulfils the desires of His children. Baba is so merciful for us children. Baba knew that the children had come and it should not be that they return disheartened. Baba always fulfils the desire of the children. Baba, we very quickly want to fulfil the hopes that you have in all of us. Remember Baba with so much love and merge the things that Baba tells you into yourself as He tells you and How he tells you. We want to become complete very quickly and then give Baba the proof of our love. See how Baba will seat sit us in His lap and make us fly all the time. Remembering this day, today, with such good wishes and while making complete effort to make the self complete, always continue to say thanks to the Father.

Dadi Janki: The whole world is in front of me and I am in front of the world. This is the wonderful drama. How much thanks can I give to Baba? My Baba, sweet Baba, in order to make the pilgrimage of my life worthwhile and successful, You have given Your companionship from the beginning until now. Baba had said in the blessing: The child is always with the Father and is playing her part as a detached observer. These two words are giving such help on this pilgrimage of life. Baba is with me. There isn’t a single minute or second when it is not like this or that I am alone. It is just a tiny soul and the part of 84 births is recorded in it.

In today’s (sakar) murli, Baba spoke of many types of service and Baba has given me the fortune of doing all of those types of service such that this soul can never feel that Baba has not had this type of service done through this. If you don’t explain to anyone else whatever directions Baba has given or explained to you, then Baba would not allow you to have breakfast. We heard the nectar of knowledge with our ears and ate Brahma bhojan through the mouth, the power of all of that is making all of us function. Our companion, support and co-operative soul is Baba. If we didn’t have Baba’s company, then how could each of us souls, return alone to Paramdham.

We have to return home, we have to return home together, we will return with the Father and not as part of the wedding procession. It is royalty to return home together. Baba is my Companion and I will return home with Him. Now, there is very little time remaining and we have to value time a lot because destruction can come at any time. With faith in the intellect at the time of destruction, we will be victorious and become part of the rosary of victory. With faith in the intellect and remaining firm and unshakeable on the destiny, we are filling lives with happiness, peace, bliss and love. All of you experienced how Baba does not allow you to miss anything. This too is a wonder of Baba. Achcha. Om Shanti.

Avyakt BapDada

Madhuban

Beloved Avyakt Image Mother and Father, BapDada's beloved children, all brothers and sisters, the decoration of the Brahmin clan in this land and abroad, please accept love-filled remembrance.

All of you must have been sitting like chatrak birds at your own places especially to invoke BapDada to come into the corporeal and celebrate an avyakt meeting with all of us. However, the destiny of the drama... From time to time, BapDada has been giving us a signal for us children to make our stage unshakeable and immovable, to be a resident of the subtle region and to celebrate a meeting in the avyakt form. So, according to that, we are experiencing that today. Though Dadi Gulzar's health is fine, she was experiencing a lot of weakness in the body, and even then, she kept courage and came in the midst of the gathering and a song was played for BapDada's invocation as usual. However, after a short while, Dadi felt herself to be too weak to be able to invoke the Almighty into her chariot, and so Dadi was taken from the stage to a room back stage. We all began to watch BapDada's video of an earlier murli. All of you who were watching the transmission would have seen and heard that. All Dadis and senior brothers continued to conduct meditation on the stage. It was the turn of Gujarat to serve the whole gathering, and there must have been nearly 20 – - 21,000 brothers and sisters from abroad and this land who arrived in Shantivan for the meeting. Both halls were full. Everyone was sitting with great concentration in a powerful atmosphere and listening to BapDada's avyakt versions through the video. After a short while, there was a message relayed that Dadi is coming into the gathering. As soon as Dadi entered the gathering, the hall echoed with everyone's applause and everyone began to dance with happiness. Then Dadi offered bhog to BapDada and BapDada came into the gathering, waved His hand with a lot of love and gave everyone drishti filled with blessings. After that, Baba spoke these elevated versions:

Lots, lots, lots and lots of love and remembrance to the children who have the fortune of happiness and who always remain happy. Always remain happy and share a lot of happiness. BapDada is giving special love to each and every one and take every step while keeping in your heart the Father who is loved by all and who is beyond any consciousness of the body. Each and every child, whether from this land or abroad, accept love and remembrance from BapDada. Love and remembrance to all along with the residents of Gujarat and souls of the whole world.

We are sending with this message the avyakt revised murli that was read in class this morning. This murli can be read in class tomorrow. (Centres in India would not have received this murli, therefore uploading the Hindi only. Centres abroad already read this murli this morning (English already sent), therefore, not sending it again. You may revise it again though. The date of the murli – 15/12/2013 originally spoken on 23/02/1997.)

Together with bidding farewell to the old year, have the determined thought to let go of any slightest weakness, even in your dreams, and as well as imbibing virtues with zeal and enthusiasm, remain constantly remain 'wah, wah' (wonderful). Revise this thought daily at amrit vela and you will receive *extra* help from BapDada.

BapDada is pleased to see all the children. The *majority* of all the children appear to be happy. BapDada is merged in each one's heart. Just as you children have arrived here in the *plane* of love, so BapDada is also pleased to see the loving image of each child. Wah loving children! Wah! Happiness is visibly sparkling on the forehead of each child. Seeing each happy child, the Father is also singing a song in His heart: Wah children! Wah! The sparkling dot, the soul, is visible on the forehead of each one. Dilaram, the Comforter of Hearts, is visible in each one's heart. BapDada is pleased to see each and every child and is singing the song in His heart: Wah children! wah! Love is merged in the heart of each one.

Everyone has bid farewell to the old year and has the New Year merged in their eyes. BapDada is asking: Have all of you imbibed one or another speciality today and renounced being ordinary? In the effort-making life, in the New Year, it is essential to have one or another speciality, so have you put that into your thoughts and awareness? Have you renounced the old and imbibed the new? Has each one of you thought of some newness in your sanskars? Or, have you imbibed it? You know how to renounce and you know how to imbibe.

At this time, BapDada can see on each one's face the sparkle of love and of a meeting. Today, did all of you renounce something and imbibe something? BapDada is seeing the happy faces of the *majority* of the children at this time, so what song is He singing? Wah children! Wah! On this day, each and every child has to renounce something and also imbibe a new virtue. Think about it: What do you have to renounce and what do you have to take? BapDada wants to see the sparkle of carefree emperors on the faces of all the children. You do pay *attention* to this, but, on this special day, you have to renounce something from your heart and also imbibe something. Can you do it? Raise your hands if you can do it. Not that you can do it, but that you will do it. Will you do it? Baba is seeing waves of enthusiasm on everyone's forehead. So, this enthusiasm that you have now should remain all the time. Pay special attention to this. Let there be some special enthusiasm in your heart and constantly check this enthusiasm: Did the enthusiasm remain as enthusiasm or did it change? At all times, BapDada wants the children's faces to have the enthusiasm of imbibing one or another virtue. If you imbibe a virtue, the defect will automatically then finish, will it not? BapDada is pleased about all of you children. The weakness that you do not want but still comes – can you renounce that thought, now, today, with a determined thought? Can you renounce it? Those who can renounce it, raise your hands! Achcha, you are raising your hands. You have maintained courage and you also have the Father's help. All of you have something in your heart that you want to renounce, but it still remains there in a thought form. Can you give that to the Father with determination today? Can you give it? Raise your hands! You can give it, but do not then take it back. For that, BapDada will give special help at amrit vela because BapDada can see from each child that you definitely want to renounce something, but.... There are many things in this "but". However, whatever weaknesses each one has, if there aren't any, then congratulations! If there is any trace of weakness even in your dreams, then give it with determination to the Father today. You know how to give it, do you not? Have the thought, if you have this determined thought today – then, because of having this determined thought today, each one of you will receive *extra* help. At amrit vela in the morning, and after amrit vela, *check* your thought and have the determined thought in your heart and you will receive *extra* help from BapDada. Have this thought with a true heart. Do not just have the thought to test whether it happens or not. If you have this thought with a true heart, you will receive a little *extra* help because the New Year is beginning. BapDada wants that from the start of the New Year, each of you children wake up and make a determined thought with your heart – not because you are told to do so. If you make effort with your heart, you will receive

help. Have the determined thought tomorrow morning – have the determined thought to renounce something, because BapDada sees that everyone has this thought. However, together with having this thought, hand over that weakness to the Father every day and have the determined thought. You have to imbibe the virtue of zeal and enthusiasm and definitely do this.

You have to have this determined thought and so demonstrate this by doing it. You definitely have to do this. If you need any help for this, you can take help from the maharathis.

Celebrate today as the day of determination. It has to happen, we have to do it. Not that we will do it at some point, but that we have to do it. BapDada is your Helper in this. Do not become slack in your enthusiasm. Revise it every day. Give your weakness to the Father. Do not take back what you have already given. BapDada is seeing that the *majority* of the children want to... However, give your weakness to the Father. You cannot take back what you have given away. BapDada is pleased that the *majority* of children want to, but, together with wanting to, they pay very little *attention* to the power that is needed. "It will happen" ... this creates an obstacle in-between. Let there be determination in your thought. So, today, the old year is going and the New Year is to come. So, each of you has one or another determined thought in your heart that you will renounce something. Think about this in your heart. However, *check* it daily after amrit vela: Is the thought that I have had determined? *Check* because carelessness also comes in thoughts. So, today, imbibe something elevated in your heart and revise it every day at amrit vela. Do not take back what you have given because, as you make further progress, in the times that are to come, as you see those times, you will have to have daily determination in your every thought. Look at the *result*: To what extent has the thought you had been fulfilled? If the *percentage* reduces – if at first there is a lot of enthusiasm and it then becomes a little slack – do not allow it to become slack. Have the determined thought that you definitely have to demonstrate this by doing it. You are *master* almighty authorities, not ordinary. So, tomorrow, bring one or another determined thought in front of you and revise it daily at amrit vela and *check* it. Take help from BapDada.

All of you appear to be happy at this time. Are all of you happy at this time? Raise your hands! Just as you are now, so remember this stage of yours. You now have BapDada's company so constantly keep this with you in your heart. The Comforter of Hearts belongs in your heart. Today, all of you keep one or another point for self progress according to your self. So, *check* it in your mind and then revise it daily after amrit vela. Achcha.

All of you are happy in your hearts, are you not? Just as your heart is happy now, it is happy now, is it not?

So, remember this time. Just as your heart is happy now, so continue to remember this happy time. BapDada will take a *photo* of all the children. That *photo* will not be ordinary. So, be constantly happy – will you remain constantly happy? Are you sure? How much are you sure? Do not allow your happiness to go. Remain happy and share that happiness. You are Brahma Kumars and Brahma Kumaris. What is your *title*? So, remember: I am a Brahma Kumar or a Brahma Kumari. I am not ordinary. You know Father Brahma. Although you have not seen Father Brahma, you do know him, do you not? "My Baba". The more you have this consciousness of "mine" for the Father, "my Baba, my Baba", accordingly, your remembrance will become easy because whatever is 'mine' is never forgotten. So, make the Father 'mine' and then don't forget what is 'mine'. This is what BapDada wants: Wake up in the morning and look at your face – the face of your mind, not that face. Look at the face of your mind: Is it as the Father likes? Achcha.

Seeing all the children, BapDada is pleased. 'Wah children! Wah!' All of you are 'wah wah' (wonderful)! are you not? Are you 'wah wah'? Raise both your hands! So, will you remain like this all the time or just now? Constantly 'wah wah'! You find the Father to be constantly 'Wah Wah!' and that is why you remember Him. So, the Father is 'Wah, Wah!' and so the children are also 'wah wah'! Wake up in the morning and remember what type of child you are. I am a 'wah

wah' child. Achcha. You will remain constantly 'wah wah', will you not? Pay *attention* to this. Raise your hand for this. As soon as you wake up, remember these words 'wah, wah!'. The Father should see you as 'wah, wah!' Achcha.

BapDada is giving special drishti to all the children who have come. For what? For you to remain 'wah, wah'. Will you remain like this? Will you? Raise your hands! You will remain like this. So, do not forget the words "Wah wah". Do not forget that you have raised your hands in this gathering. Who am I? Wah! Wah! It is *easy*, is it not? I am 'wah wah!' and so what will happen? You will be happy. No matter what happens - it came and it went and so why are you holding onto it? Nothing ever remains all the time; it goes away. Why do you hold onto it? So, from tomorrow, look at your face every day at amrit vela. Look at your face within, not the external one. *Check*: Is it 'wah wah'? Why? If BapDada is 'Wah wah', what will the children be? Wah, wah! Simply remember the word "Wah wah". If you ever have an *off mood*, then remember the words 'wah, wah'. Achcha.

You met BapDada, did you not? Even the Father is restless without the children. At amrit vela, BapDada tours around and gives drishti to the whole family. How long does BapDada need to tour around? He has love for you children. So, every day after amrit vela, just see, BapDada will tour around and He will see everyone. So what will He see? Wah, wah! Do not forget these words 'wah, wah!' Wah, wah! Achcha. Wherever all the children may be, BapDada calls all of them the 'wah, wah' children and sees them when He tours around. So, wake up at amrit vela and always remember: Who am I? Wah, wah child. Whatever situation happens, merge that in 'wah, wah!' Do not keep that situation. Just the Father and you, that is all. Achcha. *Good night*.

Today, BapDada said *good night*. Say *good night* among yourselves and then go to sleep. All the children, wherever you are sitting, wherever you are moving around, BapDada is seeing all of you. How long does it take Him to tour around? BapDada is saying *good night* to all the children everywhere.

It is the turn of Maharashtra to serve – 13,000 people have come from Maharashtra, Andhra Pradesh and Mumbai: It is good that the name itself is Maharashtra and so you would definitely be great, would you not? You are this, but you sometimes forget it, but otherwise, you are this. Achcha. *Good night*. You can go and eat and then go to sleep but remember "*good night*".

About 500 double foreign and Sindhi brothers and sisters have come: Baba has seen you. You are very loving. You are co-operative and also loving. Achcha.

Many have come for the first time: (BapDada waved His hand and gave drishti to them all.)

Achcha, to all those from this land and abroad, BapDada Himself is giving you love and remembrance. Everyone emerges in front of BapDada for a *second* and so BapDada tours around everywhere and gives love and remembrance to the whole Brahmin family.

Neeluben: This one has done good service. Everyone is receiving the benefit of the service she has done. The Brahmins of all the centres are receiving it. And you do it with love. She has a lot of love for everyone in her heart. (Baba, You continue to come and I will continue to serve). That is fine. You are happy. You are constantly happy.

It is Mohiniben's birthday tomorrow: Congratulations. Congratulations for moving forward.

Special congratulations to all of those who have come.

Nirwairbhai: Everyone has done good service. Everyone is receiving the fruit of their service.

Rameshbhai: (We have created a serial on the Power of Women). That is fine. We will see it. (Many have sent their remembrance.) Whoever has sent their remembrance, remember them personally and give them remembrance from BapDada.

Dr. Banarasi: This one has also done very good service of the chariot. You serve from your heart. Everyone receives that feeling. The patients receive that feeling.
